such tax districts free and clear of any right, title or interest in or lien upon such parcel or such other tax district or districts or (ii) for a conveyance without sale of any such parcel to one of such tax districts subject to any right, title or interest in or lien upon such parcel of such other tax district or districts. In either of such events, the court shall in its judgment expressly dispense with the sale and direct the making and execution of a conveyance by the enforcing officer in accordance with such agreement. In the absence of such an agreement, the court shall make a final judgment directing the sale of such parcel in the same manner as provided by subdivision four of this section, except that the conveyance may expressly be made subject to tax liens of a tax district as provided herein.

- When no answer has been interposed. The court shall make a final judgment awarding to such tax district the right to convey title to real property described in the petition of foreclosure not redeemed as provided in article 11 of the real property tax law and as to which no answer is interposed as provided herein. In addition thereto, where the enforcing officer has requested that such a parcel be sold pursuant to subdivision four of this section without the tax district taking title thereto, the judgment shall so direct. Otherwise such judgment shall contain a direction to the enforcing officer of district to prepare, execute and cause to be recorded a deed conveying to such tax district full and complete title to such parcel. Upon the execution of such deed, the tax district shall be seized of an estate in fee simple absolute in such parcel and all persons, including the state, infants, incompetents, absentees and non-residents who may have had any right, title, interest, claim, lien or equity of redemption in or upon such parcel shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption. The tax district may sell any parcel so acquired in the manner provided by section 1166 of the real property tax law if it does not choose to retain the parcel for a public use.
- 4. Court-ordered sales. Where the enforcing officer requests that a parcel be sold without the tax district taking title thereto, the judgment shall direct that a public auction shall be conducted by or under the direction of the enforcing officer. Public notice of such sale shall be given once a week for at least three successive weeks in a newspaper published in the county in which such tax district is situated. The terms and conditions of such sale shall be as prescribed by court order, provided that all proceeds including any surplus, shall be paid to enforcing officer for the benefit of the Buffalo urban renewal agency to support the agency's weatherization and community development projects. At the conclusion of such sale the enforcing officer shall prepare and execute a deed conveying to the purchaser or its designee full and complete title to such parcel. Upon the delivery and acceptance of such deed, the grantee shall be seized of an estate in fee simple absolute in such parcel and all persons, including the state, infants, incompetents, absentees and non-residents who may have had any right, title, interest, claim, lien or equity of redemption in or upon such parcel shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption.
- S 2. This act shall take effect immediately and shall apply to any surplus funds from the proceeds of a tax lien foreclosure sale in the city of Buffalo paid into court on or after such effective date.
