an explanation in plain language of what would constitute good cause for non-compliance and examples of acceptable forms of evidence that may warrant an exemption from work activities, including evidence of domestic violence, and physical or mental health limitations that may be provided at the conciliation conference to demonstrate such good cause for failure to comply with the requirements of this title. Such notice shall also include a statement of the participant's right to a fair hearing relating to such discontinuance or reduction. If such participant contacts the district within [seven] TEN CALENDAR days [in the case of a safety net participant or within ten days in the case of a family assistance participant], it will be the responsibility of the participant to give reasons for such failure or refusal.
