Introduced by COMMITTEE ON RULES -- (at request of M. of A. Magnarelli) -- read once and referred to the Committee on Local Governments

AN ACT to repeal certain provisions of the general municipal law relating to urban renewal agencies; to repeal certain provisions of the general municipal law relating to industrial development agencies; and to transfer any books, records and remaining rights of any dissolved authority to the municipality for whose purpose the agency was created

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative intent. The welfare of the state necessitates ensuring that the proliferation of moribund public benefit corporations, such as those included in this act found to be defunct by the comptroller, the authorities budget office and the New York state commission on public authority reform, does not continue unchecked.
