30 PETITIONS FOR ASSISTED OUTPATIENT TREATMENT.

31 (F) Petition to the court. (1) A petition for an order authorizing
32 assisted outpatient treatment may be filed in the supreme or county
33 court in the county in which the subject of the petition is present or

56 subject of the petition[.]; OR

(IX) THE DIRECTOR OF THE HOSPITAL OR THE SUPERINTENDENT OF A CORRECTIONAL FACILITY IN WHICH THE SUBJECT OF THE PETITION IS IMPRISONED, PURSUANT TO SECTION FOUR HUNDRED FOUR OF THE CORRECTION LAW.

(2) THE COMMISSIONER SHALL PROMULGATE REGULATIONS PURSUANT TO WHICH PERSONS INITIATING A PETITION, PURSUANT TO SUBPARAGRAPHS (I) AND (II) OF PARAGRAPH ONE OF THIS SUBDIVISION, MAY RECEIVE ASSISTANCE IN FILING SUCH PETITIONS, WHERE APPROPRIATE, AS DETERMINED PURSUANT TO SUBDIVISION (E) OF THIS SECTION.

(3) The petition shall state:

(i) each of the criteria for assisted outpatient treatment as set forth in subdivision (c) of this section;

(ii) facts which support the petitioner's belief that the subject of the petition meets each criterion, provided that the hearing on the petition need not be limited to the stated facts; and

(iii) that the subject of the petition is present, or is reasonably believed to be present, within the county where such petition is filed.

[(3)] (4) The petition shall be accompanied by an affirmation or affidavit of a physician, who shall not be the petitioner, stating THAT SUCH PHYSICIAN IS WILLING AND ABLE TO TESTIFY AT THE HEARING ON THE PETITION AND THAT either [that]:

(i) such physician has personally examined the subject of the petition no more than ten days prior to the submission of the petition[,] AND recommends assisted outpatient treatment for the subject of the petition[, and is willing and able to testify at the hearing on the petition]; or

(ii) no more than ten days prior to the filing of the petition, such physician or his or her designee has made appropriate attempts but has not been successful in eliciting the cooperation of the subject of the petition to submit to an examination, such physician has reason to suspect that the subject of the petition meets the criteria for assisted outpatient treatment, and such physician is willing and able to examine the subject of the petition [and testify at the hearing on the petition] PRIOR TO PROVIDING TESTIMONY.

[(4)] (5) In counties with a population of less than seventy-five thousand, the affirmation or affidavit required by paragraph [three] FOUR of this subdivision may be made by a physician who is an employee of the office. The office is authorized AND DIRECTED to make available, at no cost to the county, a qualified physician for the purpose of making such affirmation or affidavit consistent with the provisions of such paragraph.

[(f)] (G) Service. The petitioner shall cause written notice of the petition to be given to the subject of the petition and a copy thereof to be given personally or by mail to the persons listed in section 9.29 of this article, the mental hygiene legal service, the health care agent if any such agent is known to the petitioner, the appropriate program coordinator, and the appropriate director of community services, if such director is not the petitioner.

[(g)] (H) Right to counsel. The subject of the petition shall have the right to be represented by the mental hygiene legal service, or privately financed counsel, at all stages of a proceeding commenced under this section.

[(h)] (I) Hearing. (1) Upon receipt of the petition, the court shall fix the date for a hearing. Such date shall be no later than three days from the date such petition is received by the court, excluding Saturdays, Sundays and holidays. Adjournments shall be permitted only for good cause shown. In granting adjournments, the court shall consider the

1 need for further examination by a physician or the potential need to
2 provide assisted outpatient treatment expeditiously. The court shall
3 cause the subject of the petition, any other person receiving notice
4 pursuant to subdivision [(f)] (G) of this section, the petitioner, the
5 physician whose affirmation or affidavit accompanied the petition, and
6 such other persons as the court may determine to be advised of such
7 date. Upon such date, or upon such other date to which the proceeding
8 may be adjourned, the court shall hear testimony and, if it be deemed
9 advisable and the subject of the petition is available, examine the
10 subject of the petition in or out of court. If the subject of the peti-
11 tion does not appear at the hearing, and appropriate attempts to elicit
12 the attendance of the subject have failed, the court may conduct the
13 hearing in the subject's absence. In such case, the court shall set
14 forth the factual basis for conducting the hearing without the presence
15 of the subject of the petition.

16 (2) The court shall not order assisted outpatient treatment unless an
17 examining physician, who recommends assisted outpatient treatment and
18 has personally examined the subject of the petition no more than ten
19 days before the filing of the petition, testifies in person at the hear-
20 ing. Such physician shall state the facts and clinical determinations
21 which support the allegation that the subject of the petition meets each
22 of the criteria for assisted outpatient treatment; PROVIDED THAT THE
23 PARTIES MAY STIPULATE, UPON MUTUAL CONSENT, THAT SUCH PHYSICIAN NEED NOT
24 TESTIFY.

25 (3) If the subject of the petition has refused to be examined by a
26 physician, the court may request the subject to consent to an examina-
27 tion by a physician appointed by the court. If the subject of the peti-
28 tion does not consent and the court finds reasonable cause to believe
29 that the allegations in the petition are true, the court may order peace
30 officers, acting pursuant to their special duties, or police officers
31 who are members of an authorized police department or force, or of a
32 sheriff's department to take the subject of the petition into custody
33 and transport him or her to a hospital for examination by a physician.
34 Retention of the subject of the petition under such order shall not
35 exceed twenty-four hours. The examination of the subject of the petition
36 may be performed by the physician whose affirmation or affidavit accom-
37 panied the petition pursuant to paragraph three of subdivision [(e)] (F)
38 of this section, if such physician is privileged by such hospital or
39 otherwise authorized by such hospital to do so. If such examination is
40 performed by another physician, the examining physician may consult with
41 the physician whose affirmation or affidavit accompanied the petition as
42 to whether the subject meets the criteria for assisted outpatient treat-
43 ment.

44 (4) A physician who testifies pursuant to paragraph two of this subdi-
45 vision shall state: (i) the facts [which] AND CLINICAL DETERMINATIONS
46 THAT support the allegation that the subject meets each of the criteria
47 for assisted outpatient treatment, (ii) that the treatment is the least
48 restrictive alternative, (iii) the recommended assisted outpatient
49 treatment, and (iv) the rationale for the recommended assisted outpa-
50 tient treatment. If the recommended assisted outpatient treatment
51 includes medication, such physician's testimony shall describe the types
52 or classes of medication which should be authorized, shall describe the
53 beneficial and detrimental physical and mental effects of such medica-
54 tion, and shall recommend whether such medication should be self-admin-
55 istered or administered by authorized personnel.

(5) The subject of the petition shall be afforded an opportunity to present evidence, to call witnesses on his or her behalf, and to cross-examine adverse witnesses.

[(i)] (J) Written treatment plan. (1) The court shall not order assisted outpatient treatment unless a physician appointed by the appropriate director, in consultation with such director, develops and provides to the court a proposed written treatment plan. The written treatment plan shall include case management services or assertive community treatment team services to provide care coordination. The written treatment plan also shall include all categories of services, as set forth in paragraph one of subdivision (a) of this section, which such physician recommends that the subject of the petition receive. All service providers shall be notified regarding their inclusion in the written treatment plan. If the written treatment plan includes medication, it shall state whether such medication should be self-administered or administered by authorized personnel, and shall specify type and dosage range of medication most likely to provide maximum benefit for the subject. If the written treatment plan includes alcohol or substance abuse counseling and treatment, such plan may include a provision requiring relevant testing for either alcohol or illegal substances provided the physician's clinical basis for recommending such plan provides sufficient facts for the court to find (i) that such person has a history of alcohol or substance abuse that is clinically related to the mental illness; and (ii) that such testing is necessary to prevent a relapse or deterioration which would be likely to result in serious harm to the person or others. If a director is the petitioner, the written treatment plan shall be provided to the court no later than the date of the hearing on the petition. If a person other than a director is the petitioner, such plan shall be provided to the court no later than the date set by the court pursuant to paragraph three of subdivision [(j)] (K) of this section.

(2) The physician appointed to develop the written treatment plan shall provide the following persons with an opportunity to actively participate in the development of such plan: the subject of the petition; the treating physician, if any; and upon the request of the subject of the petition, an individual significant to the subject including any relative, close friend or individual otherwise concerned with the welfare of the subject. THE APPOINTED PHYSICIAN SHALL MAKE A REASONABLE EFFORT TO GATHER RELEVANT INFORMATION FOR THE DEVELOPMENT OF THE TREATMENT PLAN FROM THE SUBJECT OF THE PETITION'S FAMILY MEMBER OR MEMBERS, OR HIS OR HER SIGNIFICANT OTHER. If the subject of the petition has executed a health care proxy, the appointed physician shall consider any directions included in such proxy in developing the written treatment plan.

(3) The court shall not order assisted outpatient treatment unless a physician appearing on behalf of a director testifies to explain the written proposed treatment plan; PROVIDED THAT THE PARTIES MAY STIPULATE, UPON MUTUAL CONSENT, THAT SUCH PHYSICIAN NEED NOT TESTIFY. Such physician shall state the categories of assisted outpatient treatment recommended, the rationale for each such category, facts which establish that such treatment is the least restrictive alternative, and, if the recommended assisted outpatient treatment plan includes medication, such physician shall state the types or classes of medication recommended, the beneficial and detrimental physical and mental effects of such medication, and whether such medication should be self-administered or administered by an authorized professional. If the subject of the peti-

tion has executed a health care proxy, such physician shall state the consideration given to any directions included in such proxy in developing the written treatment plan. If a director is the petitioner, testimony pursuant to this paragraph shall be given at the hearing on the petition. If a person other than a director is the petitioner, such testimony shall be given on the date set by the court pursuant to paragraph three of subdivision [(j)] (K) of this section.

[(j)] (K) Disposition. (1) If after hearing all relevant evidence, the court does not find by clear and convincing evidence that the subject of the petition meets the criteria for assisted outpatient treatment, the court shall dismiss the petition.

(2) If after hearing all relevant evidence, the court finds by clear and convincing evidence that the subject of the petition meets the criteria for assisted outpatient treatment, and there is no appropriate and feasible less restrictive alternative, the court may order the subject to receive assisted outpatient treatment for an initial period not to exceed one year. In fashioning the order, the court shall specifically make findings by clear and convincing evidence that the proposed treatment is the least restrictive treatment appropriate and feasible for the subject. The order shall state an assisted outpatient treatment plan, which shall include all categories of assisted outpatient treatment, as set forth in paragraph one of subdivision (a) of this section, which the assisted outpatient is to receive, but shall not include any such category that has not been recommended in [both] the proposed written treatment plan and [the] IN ANY testimony provided to the court pursuant to subdivision [(i)](J) of this section.

(3) If after hearing all relevant evidence presented by a petitioner who is not a director, the court finds by clear and convincing evidence that the subject of the petition meets the criteria for assisted outpatient treatment, and the court has yet to be provided with a written proposed treatment plan and testimony pursuant to subdivision [(i)] (J) of this section, the court shall order the appropriate director to provide the court with such plan and testimony no later than the third day, excluding Saturdays, Sundays and holidays, immediately following the date of such order; PROVIDED THAT THE PARTIES MAY STIPULATE UPON MUTUAL CONSENT THAT SUCH TESTIMONY NEED NOT BE PROVIDED. Upon receiving such plan and ANY REQUIRED testimony, the court may order assisted outpatient treatment as provided in paragraph two of this subdivision.

(4) A court may order the patient to self-administer psychotropic drugs or accept the administration of such drugs by authorized personnel as part of an assisted outpatient treatment program. Such order may specify the type and dosage range of such psychotropic drugs and such order shall be effective for the duration of such assisted outpatient treatment.

(5) If the petitioner is the director of a hospital that operates an assisted outpatient treatment program, the court order shall direct the hospital director to provide or arrange for all categories of assisted outpatient treatment for the assisted outpatient throughout the period of the order. In all other instances, the order shall require the appropriate director, as that term is defined in this section, to provide or arrange for all categories of assisted outpatient treatment for the assisted outpatient throughout the period of the order. ORDERS ISSUED ON OR AFTER THE EFFECTIVE DATE OF THE CHAPTER OF THE LAWS OF TWO THOUSAND THIRTEEN THAT AMENDED THIS SECTION SHALL REQUIRE THE APPROPRIATE DIRECTOR "AS DETERMINED BY THE PROGRAM COORDINATOR" TO PROVIDE OR

1 ARRANGE FOR ALL CATEGORIES OF ASSISTED OUTPATIENT TREATMENT FOR THE
2 ASSISTED OUTPATIENT THROUGHOUT THE PERIOD OF THE ORDER.

3 (6) The director shall cause a copy of any court order issued pursuant
4 to this section to be served personally, or by mail, facsimile or elec-
5 tronic means, upon the assisted outpatient, the mental hygiene legal
6 service or anyone acting on the assisted outpatient's behalf, the
7 original petitioner, identified service providers, and all others enti-
8 tled to notice under subdivision [(f)] (G) of this section.

9 [(k)] (L) RELOCATION OF ASSISTED OUTPATIENTS. THE COMMISSIONER SHALL
10 PROMULGATE REGULATIONS REQUIRING THAT, DURING THE PERIOD OF THE ORDER,
11 AN ASSISTED OUTPATIENT AND ANY OTHER APPROPRIATE PERSONS SHALL NOTIFY
12 THE PROGRAM COORDINATOR WITHIN A REASONABLE TIME PRIOR TO SUCH ASSISTED
13 OUTPATIENT RELOCATING WITHIN THE STATE OF NEW YORK TO AN AREA NOT SERVED
14 BY THE DIRECTOR WHO HAS BEEN DIRECTED TO PROVIDE OR ARRANGE FOR THE
15 ASSISTED OUTPATIENT TREATMENT. UPON RECEIVING NOTIFICATION OF SUCH RELO-
16 CATION, THE PROGRAM COORDINATOR SHALL REDETERMINE WHO THE APPROPRIATE
17 DIRECTOR SHALL BE AND CAUSE A COPY OF THE COURT ORDER AND TREATMENT PLAN
18 TO BE TRANSMITTED TO SUCH DIRECTOR.

19 (M) Petition for [additional periods of] CONTINUED treatment. (1)
20 [Prior] WITHIN THIRTY DAYS PRIOR to the expiration of an order pursuant
21 to this section, the appropriate director shall review whether the
22 assisted outpatient continues to meet the criteria for assisted outpa-
23 tient treatment. [If, as documented in the petition, the director deter-
24 mines that such criteria continue to be met or has made appropriate
25 attempts to, but has not been successful in eliciting, the cooperation
26 of the subject to submit to an examination, within thirty days prior to
27 the expiration of an order of assisted outpatient treatment, such direc-
28 tor may petition the court to order continued assisted outpatient treat-
29 ment pursuant to paragraph two of this subdivision. Upon determining
30 whether such criteria continue to be met, such director shall notify the
31 program coordinator in writing as to whether a petition for continued
32 assisted outpatient treatment is warranted and whether such a petition
33 was or will be filed.] UPON DETERMINING THAT ONE OR MORE OF SUCH CRITE-
34 RIA ARE NO LONGER MET, SUCH DIRECTOR SHALL NOTIFY THE PROGRAM COORDINA-
35 TOR IN WRITING THAT A PETITION FOR CONTINUED ASSISTED OUTPATIENT TREAT-
36 MENT IS NOT WARRANTED. UPON DETERMINING THAT SUCH CRITERIA CONTINUE TO
37 BE MET, HE OR SHE SHALL PETITION THE COURT TO ORDER CONTINUED ASSISTED
38 OUTPATIENT TREATMENT FOR A PERIOD NOT TO EXCEED ONE YEAR FROM THE EXPI-

18 (3) IF NEITHER THE APPROPRIATE DIRECTOR NOR THE CURRENT PETITIONER
19 PETITION FOR CONTINUED ASSISTED OUTPATIENT TREATMENT PURSUANT TO THIS
20 PARAGRAPH AND THE ORDER OF THE COURT EXPIRES, ANY OTHER PERSON AUTHOR-

32 PASS OR SUBMIT TO BLOOD TESTING OR URINALYSIS, OR RECEIVE TREATMENT FOR
33 ALCOHOL OR SUBSTANCE ABUSE, SUCH PHYSICIAN MAY PRESUME THAT the assisted
34 outpatient is in need of an examination to determine whether he or she
35 has a mental illness for which hospitalization is necessary. Upon the
36 request of such physician, the appropriate director, the director's
37 designee, or any physician designated pursuant to section 9.37 of this

If at any time during the seventy-two hour period the person is determined not to meet the involuntary admission and retention provisions of this article, and does not agree to stay in the hospital as a voluntary or informal patient, he or she must be released. Failure to comply with an order of assisted outpatient treatment shall not be grounds for involuntary civil commitment or a finding of contempt of court.
