32 (iv) Payment of any rent adjustments pursuant to paragraph (ii) of
33 this subdivision shall commence the month immediately following the
34 month in which the act entitling the owner to the adjustment occurred.

35 S 23. Subdivision 2 of section 285 of the multiple dwelling law, as
36 amended by chapter 135 of the laws of 2010, is amended to read as
37 follows:

38 2. Notwithstanding any other provision of this article, an owner may
39 apply to the loft board for exemption of a building or portion thereof
40 from this article on the basis that compliance with this article in
41 obtaining a legal residential certificate of occupancy would cause an
42 unjustifiable hardship either because: (i) it would cause an unreason-
43 ably adverse impact on a non-residential conforming use tenant within
44 the building or (ii) the cost of compliance renders legal residential
45 conversion infeasible. Residential and other tenants shall be given not
46 less than sixty days notice in advance of the hearing date for such
47 application. If the loft board approves such application, the building
48 or portion thereof shall be exempt from this article, and may be
49 converted to non-residential conforming uses, provided, however, that
50 the owner shall, as a condition of approval of such application, agree
51 to file an irrevocable recorded covenant in form satisfactory to the
52 loft board enforceable for fifteen years by the municipality, that the
53 building will not be re-converted to residential uses during such time.
54 The standard for granting such hardship application for a building or
55 portion thereof shall be as follows: (a) the loft board shall only grant
56 the minimum relief necessary to relieve any alleged hardship with the

1 understanding if compliance is reasonably possible it should be achieved
2 even if it requires alteration of units, relocation of tenants to vacant
3 space within the building, re-design of space or application for a non-
4 use-related variance, special permit, minor modification or administra-
5 tive certification; (b) self-created hardship shall not be allowed; (c)
6 the test for cost infeasibility shall be that of a reasonable return on
7 the owner's investment not maximum return on investment; (d) the test
8 for unreasonably adverse impact on a non-residential conforming use
9 tenant shall be whether residential conversion would necessitate
10 displacement. Such hardship applications shall be submitted to the loft
11 board within nine months of the establishment of the loft board (or, in
12 the case of interim multiple dwellings referred to in subdivision four
13 of section two hundred eighty-one of this article, within nine months of

23 the loft board, unless the owner has also filed an alteration applica-
24 tion. In determination of any such hardship application, the loft board
25 may demand such information as it deems necessary. In approving any such
26 hardship application, the loft board may fix reasonable terms and condi-
27 tions for the vacating of residential occupancy.
