dollars, and elsewhere one hundred eighty-seven dollars and fifty cents. Notwithstanding any other provision of law to the contrary, there shall be no annual fee for a license, under section sixty-four OF THIS ARTICLE, to sell liquor at retail to be consumed on the premises where the applicant is an organization organized under section two hundred sixty of the military law and incorporated pursuant to the not-for-profit corporation law. Provided, however, that where any premises for which a license is issued pursuant to section sixty-four or sixty-four-a of this article remain open only within the period commencing April first and ending October thirty-first of any one year, or only within the period commencing October first and ending the following April thirtieth, the liquor authority may, in its discretion, grant a summer or winter license effective only for such appropriate period of time, for which a license fee shall be paid to be pro-rated for the period for which such license is effective, at the rate provided for in the city, town or village in which such premises are located, except that no such license fee shall be less than one-half of the regular annual license fee; provided further that where the premises to be licensed are a race track or a golf course or are licensed pursuant to section sixty-four or sixty-four-a of this [chapter] ARTICLE, the period of such summer license may commence March first and end November thirtieth.

Where a hotel, restaurant, club, golf course or race track is open prior to April first and/or subsequent to October thirty-first by reason of the issuance of a caterer's permit or permits issued by the authority, such fact alone shall not affect the eligibility of the premises or the person owning or operating such hotel, restaurant, club, golf course or race track for a summer license.

S 2. This act shall take effect on the thirtieth day after it shall have become a law.
