FISCAL NOTE.--This bill would extend the benefits of Chapter 548 of the Laws of 2000 to members of public retirement systems in New York State who rendered military service during the period of conflict in Lebanon from 8/20/82-12/1/87. Currently, the period is defined to be 6/1/83-12/1/87. Affected members may purchase up to a maximum of three years of military service. Tier 1-5 members would be required to make a payment of three percent of their most recent compensation per year of additional service credit granted by this bill. Tier 6 members would be required to make a payment of six percent of their most recent compensation per year of additional service credit.

If this bill is enacted, insofar as this proposal affects the New York State and Local Employees' Retirement System (ERS), it is estimated that the past service cost will average approximately 12% (9% for Tier 6) of an affected members' compensation for each year of additional service credit that is purchased.

Insofar as this proposal affects the New York State and Local Police and Fire Retirement System (PFRS), it is estimated that the past service cost will average approximately 17% (14% for Tier 6) of an affected members' compensation for each year of additional service that is purchased.

The exact number of current members as well as future members who could be affected by this legislation cannot be readily determined.

ERS Costs: Pursuant to Section 25 of the Retirement and Social Security Law, the increased cost to the New York State and Local Employees' Retirement System would be borne entirely by the State of New York and would require an itemized appropriation sufficient to pay the cost of the provision. Since a member can apply for this service credit at any time prior to retirement, a precise cost can't be determined until each member, as well as future members, applies for the service credit. Every year a cost will be determined (and billed to the state) based on those benefiting from this provision.

PFRS Cost: These costs would be shared by the State of New York and the participating employers in the PFRS.
