This bill would provide improved disability benefits to probation officers employed by the Suffolk County probation department. They would be eligible for a performance of duty disability retirement allowance which would be 50% of final average salary.

If this legislation is enacted during the 2014 legislative session, we anticipate that there will be an increase of approximately \$218,000 in the annual contributions of the Suffolk County for the fiscal year ending March 31, 2015. In future years, this cost will vary as the billing rates and salaries of those affected change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$1.0 million which will be borne by Suffolk County as a onetime payment. This estimate is based on the assumption that payment will be made on February 1, 2015.

These estimated costs are based on 214 known affected members having a total salary for the fiscal year ending March 31, 2014 of approximately \$18.8 million.
