AN ACT in relation to authorizing the public service commission, upon application by a municipality, to order costs for infrastructure maintenance and access to be charged to all customer classes located in such municipality

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. Notwithstanding any law to the contrary, a municipality may apply to the public service commission to have any costs for infrastructure maintenance and access it is charged by a water-works corporation to instead be charged to all customers across all customer classes located in the municipality provided the municipality has held a public hearing with notice on the matter and has adopted a resolution and determined by a majority vote of the total voting strength of its governing body that it is in the overall public interest to have such costs charged to all customers across all customer classes. Any savings achieved as a result of this action shall be applied to the property tax levy of the municipality which has adopted such a resolution in an amount equal to such savings in the following fiscal year. Within 120 days after receiving an application pursuant to this act, the public service commission is empowered and directed to issue an order requiring that costs for infrastructure maintenance and access be included in the rates charged to all customer classes and apportioned among all customers located in the municipality and that such municipality shall not be charged separately or additionally for costs for infrastructure maintenance and access. The public service commission shall have the power to request any information that it may deem necessary from the water-works corporation or municipality so that it may issue an order as required by
