2013-2014 Regular Sessions

IN SENATE

May 16, 2013

Introduced by Sen. FLANAGAN -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to a mental health education curriculum

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative intent. The legislature recognizes the importance of providing a quality education to all New York students. Quality education must continue to include comprehensive health education. While schools presently provide instruction in health education, the legislafinds it important that the law provide the flexibility to reflect current learning standards and curriculum development as administered by the New York State Education Department and local school districts. Furthermore, it is important that statute recognize developing technology and existing curriculum materials to ensure that schools and teachers are provided with the most beneficial health education information, and that both health and mental health are taught with the idea of cure and control and without stigma or emotional harm. The prevention, law should provide flexibility to allow the commissioner of education to respond to the changing needs of the educational community to provide students with the tools and resources to live healthy lives, as it will only serve to improve educational performance and student outcomes.

ENSURE THAT STUDENTS ARE PROPERLY INSTRUCTED IN THESE AREAS VITAL TO CONTINUING DEVELOPMENT OF HEALTH SKILLS AND PROVIDING ACCESS TO AVAILABLE RESOURCES FOR PROMOTING HEALTHY LIVING, INCLUDING BUT NOT LIMITED TO INSTRUCTION ON THE IMPORTANCE OF SEEKING COUNSELING TO ADDRESS MENTAL HEALTH ISSUES THAT ARE IMPACTING A STUDENT'S ABILITY TO LEARN. The contents may be varied to meet the needs of particular school districts, or portions thereof, and need not be uniform throughout the state, provided, however, that school districts shall utilize either the curriculum for health education instruction [regarding alcohol, tobacco and other drugs] prescribed by the commissioner or a course approved by the commissioner in accordance with criteria established by the commissioner.

- b. The commissioner shall make available an interpersonal violence prevention education package for grades kindergarten through twelve, which package may consist of student pamphlets, parent pamphlets, videotapes and other informative materials to be distributed to school districts, and shall encourage the use of such material as part of the health or other related curricula or programs.
- c. The regents shall review the health curriculum requirements in existence on the effective date of this paragraph for the purpose of streamlining such curriculum and identifying any outdated components that may be eliminated or consolidated in order to ensure that students have sufficient time and instruction to develop skills to address issues of violence prevention and mental health. To the extent appropriate, the regents shall modify the existing curriculum to provide greater focus on the development of skills, by no later than middle school, that are needed to recognize, cope with and address potentially violent incidents, including an understanding of student's roles in emergency situations, what to do when confronted with another student who is [experiencing a mental health problem, and other related skills designed to reduce the threat of violence in schools.] EXHIBITING BEHAVIOR THAT CAUSES CONCERN OR ALARM FOR THE SAFETY OF THE STUDENT OR OTHERS.
- 5. School authorities shall provide the needed facilities, time, and place for the instruction set forth herein and shall provide learning aids and curriculum resource materials which contribute to effective teaching methods and learning in health education [regarding alcohol, tobacco, and other drugs].
- 6. All pre-service training programs in the state for elementary teachers shall include adequate preparation regarding the instruction in alcohol, tobacco, and other drugs set forth herein, and no teacher shall be licensed except upon satisfactory demonstration of the competencies included in the institutional proposals approved by the education department.
- 7. Nothing contained in this section shall be deemed to diminish or impair the duties of the commissioner with respect to the continuing program for critical health problems established by chapter seven hundred eighty-seven of the laws of nineteen hundred sixty-seven as amended. The commissioner shall coordinate actions taken under authority of this section with the provisions of said chapter as they relate to health education in schools, inservice training and training programs, and curriculum or syllabus development [regarding the deleterious effects resulting from the use, misuse, and abuse of alcohol, tobacco, and other drugs].
  - S 3. This act shall take effect immediately.
