Introduced by Sen. FARLEY -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

AN ACT to amend the state finance law, in relation to twenty-first century demonstration project grants

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Subparagraph (v) of paragraph o of subdivision 10 of  
2     section 54 of the state finance law, as added by section 7 of part O of  
3     chapter 56 of the laws of 2008, is amended to read as follows:

4     (v) Twenty-first century demonstration project grants. (1) Within the  
5     amounts appropriated therefor, subject to a plan developed in consulta-  
6     tion with the commission on local government efficiency and competitive-  
7     ness and approved by the director of the budget, the secretary of state  
8     may award competitive grants to municipalities to cover costs associated  
9     with a functional consolidation or a shared services agreement having  
10    great potential to achieve financial savings and serve as a model for  
11    other municipalities, including the consolidation of services on a  
12    multi-county basis, the consolidation of certain services countywide as  
13    identified in such plan, the creation of a regional entity empowered to  
14    provide multiple functions on a countywide or regional basis, the  
15    creation of a regional or city-county consolidated municipal government,  
16    THE CREATION OF A REGIONAL SHARED SERVICES PROGRAM, the consolidation of  
17    school districts or supporting services for school districts encompass-  
18    ing the area served by a board of cooperative educational services, or  
19    the creation of a regional smart growth compact or program.

20    (2) Twenty-first century demonstration project grants may be used to  
21    cover costs including, but not limited to, legal and consultant  
22    services, capital improvements, transitional personnel costs essential  
23    for the implementation of the approved twenty-first century demon-  
24    stration project grant work plan, and other necessary expenses. Grants  
25    may be used for capital improvements, transitional personnel costs or
