3. "Participating customer" shall mean a resident who receives his or 1 2 her electric and/or gas supply through a municipal energy aggregation 3 program. 4 4. "Municipal energy aggregation program" or "aggregation program" shall mean an inter-municipal agreement pursuant to article 5-G of the general municipal law or a local resolution for the purpose of coordi-5 6 7 nating or initiating efforts by a municipality or by municipal energy 8 aggregators to request bids for and potentially select an ESCO or ESCOs to provide electric and/or gas supply to participating customers. 9 10 5. "Energy services company" or "ESCO" shall have the same meaning as such term is used in subdivision 5 of section 44 of the public service 11 12 law. 13 6. "Municipality" or "municipalities" shall mean a city, town or 14 village located in Westchester county. 15 7. "Municipal energy aggregator" or "energy aggregator" shall mean a municipality authorized pursuant to a local resolution to establish an 16 17 aggregation program or participate in an inter-municipal agreement 18 establishing a municipal energy aggregation program. 19 8. "Program administrator" shall mean an employee that is designated 20 pursuant to an inter-municipal agreement pursuant to article 5-G of the 21 general municipal law or, in the case of an aggregation program with one 22 energy aggregator, an employee designated by such energy aggregator to 23 fulfill the responsibilities of: (i) requesting and compiling historical 24 usage data of distribution utility customers as required under this act, 25 submitting a request for bids for energy supply from ESCOs author-(ii) 26 ized to supply electric and/or gas in New York state, and (iii) carrying 27 out the administration of the contract and implementation of aggregated Such responsibilities shall not be contracted or subcontracted 28 supply. 29 out to any private or not-for-profit corporation or organization. 9. "Department" shall mean the New York department of public service. 30 S 2. Municipal energy aggregation programs. 1. A municipality may, 31 32 after adopting a resolution approved by a majority of its governing 33 board, participate in a municipal energy aggregation program through an inter-municipal agreement with one or more municipalities in order to 34 coordinate efforts, or through its own municipal aggregation program to 35 procure electric and/or gas supply on behalf of its residents. Such 36 37 municipal energy aggregation program must provide for the designation of a program administrator to facilitate the operations of a municipal 38 energy aggregation program, including but not limited to the receipt of 39 40 resident historical usage data information from distribution utilities pursuant to section three of this act and any communications necessary 41 with potential ESCOs that would provide electric and/or gas supply for 42

43 such program.

44 A municipal energy aggregator shall be responsible for responding 2. 45 to inquiries regarding the particular municipal energy aggregation program in which it is a participant. Such municipal energy aggregator 46 shall provide contact information, including but not limited to a mail-47 48 ing address, telephone number, e-mail address and fax number at which it 49 may be contacted in all notices to participating customers.

In establishing a contract for an energy aggregation program with 50 3. 51 an ESCO, a program administrator shall comply with article 7 of the 52 public officers law.

3. Establishment of municipal energy aggregation program. 1. The 53 S 54 program administrator designated pursuant to an inter-municipal agreement establishing an aggregation program or a local ordinance authoriz-55 56 ing a municipality to become an energy aggregator shall provide a copy

such agreement to the distribution utilities and submit a formal 1 of 2 request for bulk usage information provided for under subdivision 2 of 3 this section. 4 2. (a) Within 60 days of the establishment of a municipal aggregation 5 program and after a formal request, distribution utilities shall, at a 6 reasonable cost as determined by the commission within 60 days of the 7 effective date of this act, provide to the program administrator the 8 following utility bulk information regarding residents receiving gas or 9 electric supply from such distribution utility: 10 (i) the number of residents, by class served that do not receive elec-11 tric and/or gas supply from an ESCO or the power authority of the state 12 of New York; (ii) the aggregate gas and electric usage of residents, by class 13 14 served, for the 12-month period preceding the request; the system peak 15 hour or hours that determines capacity buying requirements, and to the 16 degree that it is available the aggregated load factor by class served 17 for the 12-month period preceding the request; (iii) the average monthly per kWh and per Btu supply rates by class 18 19 served charged by the distribution utility for the previous 12 months; 20 and 21 (iv) to the degree that it is available, reasonable efforts to provide 22 more detailed historic information relating to energy usage character-23 istics of customers, including but not limited to information by rate class on meter type, kWh usage and peak demand information classifica-24 25 tion, meter reading cycle information, load profile designating information, the number of customers enrolled in budget billing plans, 26 loss factor information, net metering information, individual capacity tag 27 28 information and any other information deemed useful by the program administrator to successfully solicit bids for and implement the aggre-29 30 gation program; (b) In providing the utility bulk information required under 31 this subdivision, a distribution utility shall not provide to a program 32 33 administrator any information identifying, by name or address, any customer of such utility or the financial information of any such customer, including, but not limited to social security numbers, credit 34 information of any such 35 card or bank account numbers. 36 37 S 4. Selection of ESCO providers. 1. Upon receipt of utility bulk information required under section three of this act, the program admin-38 39 istrator is authorized to advertise for the request of bids from ESCOs 40 the provision of supply for an aggregation program. Any request for for bids shall specify that a contract for an aggregation program must: 41 (a) be limited to a period of no greater than 30 months; 42 43 (b) include price benchmarks, which shall provide for: 44 (i) in the case of a contract that includes electric supply, a fixed monthly per kWh supply rate for the first 6-month sub-period that is below the average monthly rate of supply provided by the distribution 45 46 47 utility in the previous 12-month period; 48 (ii) a commitment to provide fixed monthly per kWh supply rates for each subsequent 6-month sub-period, and a commitment by the ESCO selected to notify the program administrator of the kWh supply rate for 49 50 51 the upcoming sub-period no later than two months prior to the commencement of each such sub-period pursuant to section seven of this act; 52 in the case of a contract that includes gas supply, a fixed 53 (iii) 54 monthly per Btu supply rate for the first 6-month sub-period that is 55 below the average monthly price of supply provided by the distribution

utility in the previous 12-month period; and

56

1 (iv) a commitment to provide fixed monthly Btu supply rates for each 2 subsequent 6-month sub-period, and a commitment by the ESCO selected to 3 notify the program administrator of the Btu supply rate for the upcoming 4 sub-period no later than 2 months prior to the commencement of each such 5 sub-period pursuant to section seven of this act;

6 (c) provide that the ESCO will not levy any form of cancellation 7 charge to participating customers who, after receiving electric and/or 8 gas supply from the ESCO, choose to receive such supply from their 9 respective distribution utility;

10 (d) provide for a website for participating customers to view the 11 monthly rates charged for electric and/or gas supply; and

12 (e) provide that any costs associated with preparation for or imple-13 mentation of this program or contract shall only be reflected in the 14 benchmark per kWh and/or per Btu fixed rate.

15 2. (a) After a review of bids submitted for energy supply, energy aggregators are authorized to select the ESCO or ESCOs that will offer the best service, price and any other factors, determined to be appro-16 17 priate, provided that the per kWh rate for electric supply and per Btu 18 19 rate for gas supply for the first 6-month sub-period are below the average monthly price of supply provided by the distribution utility in the 20 21 previous 12 months and meet the requirements of subdivision 1 of this 22 section, provided that energy aggregators, may at their discretion, reject all bids or offers and readvertise for new bids or offers in the 23 24 manner provided by this act.

(b) In making a selection, energy aggregators shall (i) select one ESCO for the provision of electric supply; and (ii) select one ESCO for the provision of gas supply, provided however that the energy aggregators may select an ESCO to provide both electric and gas supply, provided further that energy aggregators may not select any ESCO that has been deemed ineligible to provide energy services by the department.

31 3. The energy aggregator or aggregators shall document, and make 32 available upon request, the process used for the selection of an ESCO or 33 ESCOs including, but not limited to documenting all bids received and 34 the criteria and factors used for the selection process.

4. After selection of an ESCO or ESCOs, the energy aggregators are
authorized to enter into a contract for energy aggregation program
services of up to 30 months. Such contract shall include:
(a) provisions prohibiting the ESCO or ESCOs from denying service to:

(a) provisions prohibiting the ESCO or ESCOs from denying service to: (i) in the case of a contract that includes electric supply, any resi-

39 (i) in the case of a contract that includes electric supply, any resi-40 dent receiving service from his or her distribution utility at the 41 commencement of such contract; and

42 (ii) any customer of record of a distribution utility receiving resi-43 dential or small non-residential services whose municipality is an ener-44 gy aggregator in the aggregation program for which the ESCO or ESCOs 45 will provide supply;

(b)(i) a provision requiring a fixed monthly per kWh supply rate for the first 6-month sub-period that is below the average monthly price of supply provided by the distribution utility in the previous 12-month period; and

(ii) a provision requiring the ESCO to provide fixed monthly per kWh rates for each subsequent 6-month sub-period; and that no later than 2 months prior to the commencement of each 6-month sub-period, the ESCO shall notify the program administrator of the fixed monthly per kWh rate for such upcoming sub-period, pursuant to section seven of this act;

55 (c)(i) a provision requiring a fixed monthly per Btu supply rate for 56 the first 6-month sub-period that is below the average monthly price of 1 supply services provided by the distribution utility in the previous
2 12-month period; and

(ii) in the case of a contract that includes gas supply, a provision requiring the ESCO to provide fixed monthly per Btu rates for each subsequent 6-month sub-period; and that no later than 2 months prior to the commencement of each 6-month sub-period, the ESCO shall notify the program administrator of the fixed monthly per Btu rate for such upcoming sub-period, pursuant to section seven of this act;

9 (d) provisions requiring the ESCO or ESCOs to provide electric and/or 10 gas supply rates lower than the distribution utility's electric and/or 11 gas supply rates pursuant to paragraphs (b) and (c) of this subdivision, 12 provided that a violation of this provision shall subject such ESCO to 13 refund participating customers at the time of termination of a contract 14 pursuant to section nine of this act;

15 (e) provisions prohibiting a municipal energy aggregator from opting-16 out of the contract during the term of such contract;

17 (f) provisions for the termination of a contract for an energy aggre-18 gation program if an ESCO fails to meet the requirements of this act 19 with the ESCO having exclusive responsibility for all re-entry fees 20 charged to a participating customer by distribution utilities for the 21 resumption of supply;

(g) provisions indemnifying energy aggregators from all liabilities, adamages and costs associated with the performance of an ESCO operating under a contract for an energy aggregation program; and

25 (h) a requirement that the ESCO provide a performance bond if required 26 by the energy aggregators.

5. Immediately following the finalization of a contract for an energy aggregation program pursuant to subdivision four of this section, the program administrator shall promptly notify the distribution utility and/or distribution utilities of such contract, the length of such contract and the distribution utility's responsibilities under this act.

32 5. Notice of municipal energy aggregation contract required. 1. S 33 Upon the completion of the contract for an energy aggregation program provided for under subdivision three of section four of this act, the 34 program administrator shall obtain from distribution utilities at a 35 reasonable cost as determined by the commission within 60 days of the 36 effective date of this act their lists of residents that may be affected 37 by such contract and provide the municipal energy aggregators with such 38 39 information. Each municipal energy aggregator shall then notify such 40 residents as to the provisions of such contract, including but not limited to price benchmarks. 41

42 2. Distribution utilities shall make all reasonable preparations to 43 release residents who do not choose to opt-out pursuant to subdivision 44 three of this section from receiving electric and/or gas supply, 45 provided that all residents shall continue to receive delivery from such 46 utilities.

47 3. Upon completion of a contract provided for under subdivision three 48 of section four of this act, municipal energy aggregators must mail a 49 notice to each resident which shall include:

50 (a) that the resident's municipal board has chosen to participate in a 51 municipal energy aggregation contract;

52 (b) that unless he/she elects to opt-out within 60 days of the post-53 marked notice, such resident will become a participating customer and 54 will receive electric and/or gas supply through a municipal energy 55 aggregation contract;

instructions detailing how a resident may submit an opt-out 1 (C) 2 response, provided that such procedures shall permit the resident to 3 opt-out by contacting the program administrator and/or ESCO or ESCOs 4 selected pursuant to the contract; 5 that each resident who does not elect to opt-out within the (d) 6 prescribed period and becomes a participating customer, may elect to 7 opt-out of such contract at any time; and 8 (e) that in the case of a participating customer the distribution utility will no longer be responsible for supply rates charged to such 9 10 customer and that all complaints about supply under the aggregation contract shall be the responsibility of the municipal energy aggregator 11 in which the customer resides and ESCO or ESCOs. 12 13 Immediately following the 60-day opt-out period provided for in 4. paragraph (b) of subdivision three of this section, a municipal 14 energy 15 aggregator shall provide the program administrator with the following 16 information: 17 (a) the number of residents that received electric and/or gas supply 18 from such distribution utility who are participating customers by rate 19 class; and 20 (b) the name, address, and account number of each participating 21 customer. 22 The program administrator, upon receipt of information required 5. 23 under subdivision four of this section, shall submit such information and the information provided for under subdivision two of section three 24 25 of this act to the ESCO or ESCOs. Such ESCOs shall commence electric 26 and/or gas supply to participating customers. 27 S 6. Distribution utility requirements following a contract for aggregation program services. No later than 2 weeks preceding the expiration 28 29 of the initial 6-month sub-period under a contract for an energy aggregation program and any subsequent 6-month sub-period pursuant to such 30 contract for an aggregation program, a distribution utility shall 31 32 provide the program administrator with: 33 1. the average monthly per kWh rate for supply by class served for the previous 6-month period; and 34 35 2. the average monthly per Btu rate for supply by class served for the 36 previous 6-month period. 37 S 7. ESCO supply rate notification requirements. 1. For the sub-period 38 commencing after the initial sub-period provided for under a contract 39 for an energy aggregation program, the ESCO or ESCOs shall provide the 40 program administrator with the fixed monthly per kWh supply rate and/or the fixed monthly per Btu supply rate for the upcoming 6-month sub-per-41 42 iod. 43 2. Any expenses incurred by an ESCO or ESCOs, including but not limit-44 ed to expenses incurred in the execution of a contract for an energy 45 aggregation program pursuant to section four of this act, shall only be recovered from the per kWh supply rate and/or per Btu supply rate 46 47 charged to participating customers pursuant to a contract for energy 48 aggregation services. The ESCO or ESCOs selected shall not issue any 49 charge, fee, or bill for aggregation program services to an aggregator, resident, participating customer or program administrator to recover expenses, including, but not limited to expenses incurred for: 50 51 52 (a) electric and gas supply procurement; 53 (b) taxes, assessments, fees and surcharges; 54 (c) wheeling and/or transfer costs; and 55 (d) administrative charges, expenses, staff and consultant costs.

S 8. Notice of 6-month fixed rate. 1. No later than 2 months prior to the commencement of each 6-month sub-period under a contract for an

3 aggregation program, the program administrator shall mail to each 4 participating customer a notice that shall provide the fixed monthly per 5 kWh rates and/or fixed monthly per Btu rates for such upcoming sub-per-6 iod.

7 2. No later than 6 months after the commencement of a contract for an 8 aggregation program and every six months thereafter, the program admin-9 istrator shall mail to each participating customer a statement that 10 shall provide:

11 (a) the average per kWh and/or per Btu rate for supply for the previ-12 ous 6-month sub-period charged by the distribution utility, provided 13 that such rates shall only be the actual supply rates charged by the 14 utility, and shall not include any delivery rates, service charges, or 15 taxes, assessments, fees and surcharges recovered from customers;

16 (b) the fixed monthly rate charged by the ESCO and/or ESCOs for the 17 previous 6-month sub-period;

(c) the fixed monthly per kWh rates and/or fixed monthly per Btu rates
 to be charged by an ESCO and/or ESCOs for such upcoming sub-period; and
 (d) instructions detailing how a resident may submit an opt-out.

21 3. If any word, statement, notice or any other information required by 22 or under the authority of this act appears in any letter, email or any 23 other written communication to a recipient, including but not limited to 24 resident or participating customer, such word, statement, notice or а 25 other information must be prominently placed thereon with such conspicu-26 ousness (as compared with other words, statements, designs, devices also included thereon) and in such terms as to render it likely to be 27 read 28 and understood by an ordinary individual under customary conditions of 29 purchase and use.

Any letter, email or other written communication from an ESCO seeking to or selected to provide energy aggregation program supply, a program administrator, or an energy aggregator, to a customer or participating customer relating to an energy aggregation program shall be written in a conspicuous font size of 12 point or greater.

35 S 9. Public service commission review. 1. Within 365 days of the 36 commencement of gas and/or electric supply services under an aggregation 37 contract, the commission, after consultation with the department shall 38 commence an audit to ensure such ESCO or ESCOs selected has met the 39 terms of its contract.

40 2. (a) If the commission determines that the ESCO or ESCOs providing 41 gas and/or electric supply has failed to achieve the terms of its 42 contract, the contract for an energy aggregation program established 43 pursuant to subdivision 3 of section four of this act shall be termi-44 nated immediately.

(b) Within 30 days of the termination of a contract for an energy aggregation program, the ESCO shall issue payment to each participating customer for any supply rates above those specified in the contract, including the cost of any applicable re-entry fees charged to a resident for resumption of supply.

50 (c) The commission shall ensure that all residents eligible for 51 resumption of electric and/or gas supply from their respective distrib-52 ution utility receive such services regardless of the actual timing of 53 the payment provided for under paragraph (b) of this subdivision.

3. An ESCO shall not levy any charge to an energy aggregator to cover spenses related to the termination of a contract. S. 5500--D

8

1 S 10. Within 30 months of the establishment of a contract for an ener-2 gy aggregation program or upon the termination of such contract, the 3 commission shall submit a report to the executive, the temporary presi-4 dent of the senate, the speaker of the assembly, the chairs of the 5 senate energy and telecommunications committee and the assembly energy 6 committee detailing the performance of any aggregation contract. Such 7 report shall include the following information:

1. the number of participating customers served;

9 2. the ability of the ESCO or ESCOs selected under an aggregation 10 program to provide adequate supply services;

11 3. the actual kWh and/or Btu supply rates charged under a contract for 12 an energy aggregation program;

13 4. the amount, if any, of participating customers whose residential or 14 non-residential service was disconnected; and

15 5. any other information the public service commission deems neces-16 sary.

17 S 11. Energy services company bill of rights applicable to participat-18 ing customers. For purposes of this act the term "customer" as defined 19 in paragraph (c) of subdivision 1 of section 349-d of the general busi-20 ness law, shall include participating customers.

21 S 12. This act shall take effect immediately; and shall expire and be 22 deemed repealed 5 years after such date.
