36 Ianuzi & Romans Land Surveying, P.C. dated June 6, 2013.

37 S 3. The commissioner of general services is hereby authorized to sell
38 and convey at fair market value at public or private sale certain aban-
39 doned lands of the New York state canal corporation, related to the
40 Inner Harbor Project in Syracuse, described in section two of this act.
41 Conveyance of such lands shall be made in such parcel or parcels, and
42 upon such terms and conditions, including consideration, as the commis-
43 sioner of general services may determine; provided, however, all such
44 conveyances shall be subject to an easement or easements or permit or
45 permits acquired by grant or grants by any utility company, public util-
46 ity company, utility corporation or public utility corporation, as
47 defined in subdivisions 23 and 24 of section 2 of the public service
48 law, which has installed any structure or transmission lines upon, over
49 or under any such lands. Such conveyances shall be subject to the
50 approval of the director of the budget.

51 S 4. Such private sales or conveyances may be made without public
52 bidding to the owners of structures erected on the lands to be conveyed,
53 or to incorporated property owners associations representing such
54 persons, or to such other persons as the commissioner of general
55 services may determine. The commissioner of general services may also

1 lease such lands to the owners of such structures who do not purchase
2 such lands under the provisions of this act.

3 S 5. The commissioner of general services shall promulgate rules and
4 regulations establishing the procedures to be followed in the disposi-
5 tion of these lands, including a schedule of the consideration to be
6 charged for each conveyance. Such schedule shall be subject to the
7 approval of the director of the budget.

8 S 6. The authorization to sell at private sale pursuant to section
9 three of this act shall expire 5 years after the effective date of this
10 act.

11 S 7. This act shall take effect immediately.
