16 deemed repealed March 31, 2016.

PART K

6 Section 1. Legislative findings. The legislature hereby finds and
7 declares that:

8 According to the 2010 United States Census, in New York state, 310,876
9 children under the age of 18 live in homes headed by grandparent care-
10 givers and 71,997 children under the age of 18 live in homes headed by a
11 caregiver who is an elderly relative.

12 Many of these caregivers are forced to return to the workforce, cut
13 into retirement savings, or seek additional employment in order to
14 provide for these children.

15 In addition to unexpected expenses and drastic situation changes, many
16 caregivers find their housing security complicated or jeopardized by the
17 need to care for young children. Often, housing that may have been
18 appropriate for a single, low- or fixed-income grandparent or senior is
19 neither accepting of, nor suitable or appropriate, for young children.

20 In order to respond to the various housing needs of grandparent and
21 elderly relative caregivers, the legislature must evaluate and under-
22 stand the circumstances, scope, and scale of the issue.

23 S 2. 1. Grandparent housing study. The New York state division of
24 housing and community renewal, in consultation with the New York state
25 office of children and family services, the New York state office of
26 temporary and disability assistance, and the New York state office for
27 the aging, shall execute a study on housing in relation to grandparent
28 and elderly relative caregivers of children under the age of 18, includ-
29 ing, but not limited to:

30 a. the categories of reasons why children reside with and are under
31 the primary care of grandparent or elderly relative caregivers;

32 b. causes of homelessness as such children approach adulthood, and
33 other housing challenges, including transitional access to, physical
34 accommodations of, discrimination in, and current availability of appro-
35 priate housing, that grandparent and elderly relative caregivers
36 confront when caring for young children;

37 c. the economic costs to and social support needs of grandparent and
38 elderly relative caregivers, particularly those who are low-income or
39 live on fixed incomes;

40 d. policy, taxation, and financing models that legislators and state
41 agencies may consider in addressing the housing needs of grandparent and
42 elderly relative caregivers;

43 e. availability and awareness of programs aimed at providing support
44 to low- and fixed-income grandparent and elderly relative caregivers;
45 and

46 f. statistical and geographic mapping of households across New York
47 where children reside with and are under the primary care of grandparent
48 or elderly relative caregivers.

49 2. Grandparent housing study report. The New York state division of
50 housing and community renewal shall submit to the governor, the speaker
51 and minority leader of the assembly, and the temporary president and
52 minority leader of the senate a report with findings and recommendations
53 concerning the grandparent housing study within twelve months of the
54 effective date of this act.

1 3. Assistance. To the maximum extent possible, the New York state
2 division of housing and community renewal, the office of children and
3 family services, the New York state office of temporary and disability
4 assistance, and the office for the aging shall be entitled to request
5 and receive, and shall utilize and be provided with such facilities,
6 resources, and data from any state court, department, division, board,
7 bureau, commission, agency, or political subdivision that they may
8 reasonably request to properly execute their responsibilities pursuant
9 to this act.

10 S 3. This act shall take effect immediately, provided, however, that
11 the provisions of this act shall expire and be deemed repealed twelve
12 months and one day after this act shall have become a law or upon
13 submission of the grandparent housing study report pursuant to subdivi-
14 sion two of section two of this act, whichever is later; provided that
15 the New York state division of housing and community renewal shall noti-
16 fy the legislative bill drafting commission of the date of submission of
17 the grandparent housing study report.

18 S 2. Severability clause. If any clause, sentence, paragraph, subdivi-
19 sion, section or part of this act shall be adjudged by any court of
20 competent jurisdiction to be invalid, such judgment shall not affect,
21 impair, or invalidate the remainder thereof, but shall be confined in
22 its operation to the clause, sentence, paragraph, subdivision, section
23 or part thereof directly involved in the controversy in which such judg-
24 ment shall have been rendered. It is hereby declared to be the intent of
25 the legislature that this act would have been enacted even if such
26 invalid provisions had not been included herein.

27 S 3. This act shall take effect immediately provided, however, that
28 the applicable effective date of Parts A through K of this act shall be
29 as specifically set forth in the last section of such Parts.
