2013-2014 Regular Sessions

I N S E N A T E

(PREFILED)

January 9, 2013

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Mental Health and Developmental Disabilities

AN ACT to amend the mental hygiene law, in relation to establishing the division of minority mental health within the office of mental health, and providing for its powers and duties

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds that
2 racial and ethnic minorities in America comprise a substantial and
3 vibrant segment of the United States population. According to the 2000
4 United States Census, minorities comprised the majority of the New York
5 City population. Further, the legislature finds that nearly half of all
6 New York City households speak a language other than English at home,
7 and that the "enormous shortage of trained bilingual and bicultural
8 counselors, therapists, psychiatrists and social workers, make it impos-
9 sible, for many limited-English-proficient New Yorkers to obtain refer-
10 rals and timely, appropriate mental health services" (New York State
11 Assembly Standing Committee on Mental Health report, AN EVALUATION OF
12 THE DELIVERY OF MENTAL HYGIENE SERVICES IN NEW YORK STATE, February
13 2005). Moreover, the legislature finds that the President's New Freedom
14 Commission on Mental Health also found that the mental health system in
15 the United States "has not kept pace with the diverse needs of racial
16 and ethnic minorities. Misunderstanding and misinterpreting behaviors
17 have led to tragic consequences, including inappropriately placing
18 minorities in the criminal and juvenile justice systems." Consequently,
19 the legislature finds that a division of minority mental health should
20 be created to address the unique mental health needs of the racial and
21 ethnic minority citizens of the state.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
