22 S 6. Severability. If any clause, sentence, paragraph, subdivision,
23 section or part contained in any part of this act shall be adjudged by
24 any court of competent jurisdiction to be invalid, such judgment shall
25 not affect, impair, or invalidate the remainder thereof, but shall be
26 confined in its operation to the clause, sentence, paragraph, subdivi-
27 sion, section or part contained in any part thereof directly involved in
28 the controversy in which such judgment shall have been rendered. It is
