S 104-b. Liens for [public] MEDICAL assistance [and care] on claims and suits for personal injuries. 1. If a recipient of [public] MEDICAL assistance [and care] shall have a right of action, suit, claim, counterclaim or demand against another on account of any personal injuries suffered by such recipient, then the [public welfare] MEDICAID official for the [public welfare] SOCIAL SERVICES district providing such MEDICAL assistance [and care] shall have a lien for such amount as may be fixed by the [public welfare] MEDICAID official not exceeding, however, the total amount of such MEDICAL assistance [and care] furnished by such [public welfare] SOCIAL SERVICES official on and after the date when such injuries were incurred. In all such cases, notice of the commencement of such an action shall be served upon the [public welfare] SOCIAL SERVICES district that has provided or is providing such MEDICAL assistance [and care], or upon the department of health.

The commissioner shall endeavor to ascertain whether such person, firm or corporation alleged to be responsible for such injuries is insured

with a liability insurance company, as the case may be, and the name thereof.

2. No such lien shall be effective, however, unless a written notice containing the name and address of the injured recipient, the date and place of the accident, and the name of the person, firm or corporation alleged to be liable to the injured party for such injuries, together with a brief statement of the nature of the lien, the amount claimed and that a lien is claimed upon the said right of action, suit, claim, counterclaim or demand by the [public welfare] MEDICAID official be served prior to the payment of any moneys to such injured party, by certified with return receipt or registered mail upon such person, firm or corporation, and his or her, its or their attorney, if known, and upon any insurance carrier which has insured such person, firm or corporation against such liability. A copy of the notice of lien shall be mailed to such carrier at least twenty days prior to the date on which such carrier makes a payment to the injured party. Except as against such carrier, the effectiveness of the lien against any other party shall not be impaired by the failure to mail the required notice to such carrier. In addition, a true copy of such notice shall be served by regular mail to the [welfare] MEDICAID recipient and to his or her attorney, if known. Such mailing shall be deemed to be effective, notwithstanding any inaccuracy or omission, if the information contained therein shall be sufficient to enable those to whom the notice is given to identify the injured recipient and the occurrence upon which his or her claim for damages is based.

3. Upon the service of the notice, as aforesaid, the local [public welfare] MEDICAID official shall file a true copy thereof in the office of the clerk of the county in which his office is located, and, thereupon the lien of the [public welfare] MEDICAID official in the amount therein stated shall attach to any verdict, decision, decree, judgment, award or final order in any suit, action or proceeding in any court or administrative tribunal of this state respecting such injuries, as well as the proceeds of any settlement thereof, and the proceeds of any settlement of any claim or demand respecting such injuries prior to suit or action.

4. An amended notice of lien may be served and filed by such [public welfare] MEDICAID official in the same manner and subject to the provisions of this section governing the notice of lien originally served and filed pursuant to this section.

5. (a) The person, firm, corporation or insurance carrier, having notice that a [social services] MEDICAID official has served and filed a notice of lien, and intending to make payment on the personal injury claim upon which the lien was filed, shall notify the [social services] MEDICAID official by certified or registered mail, at least ten days prior to the date such payment is proposed to be made, of the amount and date thereof.

(b) Notwithstanding any inconsistent provision of this section, the [social services] MEDICAID official shall have the right to serve and file by certified or registered mail, within five days after receipt of such notice, excluding Saturdays, Sundays, and holidays, an amended notice of lien to include the amount of [public] MEDICAL assistance [and care] furnished to the recipient after the date such official served and filed the notice of lien or the last previous amendment thereof.

(c) A person, firm, corporation or insurance carrier that fails to give the notice required by paragraph (a) of this subdivision shall be liable to the [social services] MEDICAID official to the same extent

that it would have been liable had such notice been given and the [social services] MEDICAID official had filed the amended notice of lien provided for in paragraph (b) of this subdivision.

6. Such lien may be enforced by action against those alleged to be liable for such injuries, as aforesaid, by the [local public welfare] MEDICAID official in any court of appropriate jurisdiction.

7. The aforesaid lien shall be valid and effective, when the notice thereof and the statement are served and filed as aforesaid, and shall continue until released and discharged by the [local public welfare] MEDICAID official by an instrument in writing and filed in the said county clerk's office, and no release, payment, discharge or satisfaction of any such claim, demand, right of action, suit or counterclaim shall be valid or effective against such lien.

8. The county clerk shall, at the expense of the county, provide a suitable book with proper index, to be called the [public welfare] MEDICAID lien docket, in which he shall enter the names of the [public welfare] MEDICAID official and the recipient, the date and place of the accident and the name or names of those alleged to be liable for such injuries, as aforesaid.

9. The provisions of this section to the contrary notwithstanding, the lien herein created shall be subject and subordinate to the lien on the amount recovered by verdict, report, decision, judgment, award or decree, settlement or compromise, of any attorney or attorneys retained by any such injured person to prosecute his claim for damages for personal injuries, having or acquiring by virtue of such retainer a lien on the cause of action of any such injured person, or on the verdict, report, decision, judgment, decree made in, or any settlement or compromise of, any such action or claim for damages for personal injuries.

10. The provisions of this section to the contrary notwithstanding, the lien herein created shall be subordinate to the lien of any hospital claimed under and to the extent recognized by section one hundred eighty-nine of the lien law, but only for treatment, care and maintenance given, prior to or in excess of the [public] MEDICAL assistance [and care] granted by the [public welfare] MEDICAID official.

11. The provisions of this section shall not be deemed to adversely affect the right of a [public welfare] MEDICAID official who has taken an assignment of the proceeds of any such right of action, suit, claim, counterclaim or demand, to recover under such assignment the total amount of MEDICAL assistance [and care] for which such assignment was made.

12. The provisions of this section to the contrary notwithstanding, the lien herein created shall not apply with respect to any claim or benefits payable to the recipients of any form of [public] MEDICAL assistance [or care], part of which is paid for by the government of the United States or any agency thereof when, in the opinion of the commissioner, such lien would jeopardize the continuation of such federal contribution.

13. The provisions of this section to the contrary notwithstanding, the [public welfare] MEDICAID official may in his discretion release to the injured person an amount not to exceed the cost of two years' maintenance from the lien herein created.

[14. Any inconsistent provision of this chapter or of any other law notwithstanding, a social services official may not assert any claim under any provision of this chapter to recover payments of public assistance if such payments were reimbursed by child support collections.]

This section shall not apply to any claim or award which is or may be allowed pursuant to the provisions of the [workmen's] WORKERS' compensation law or the volunteer [firemen's] FIREFIGHTERS' benefit law.

S 4. Section 131-r of the social services law is REPEALED.

S 5. This act shall take effect on the first of April next succeeding the date on which it shall have become a law.
