S 2. Subdivision 1 of section 844 of the real property tax law, as amended by chapter 654 of the laws of 2004 and as further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

1. In any county to which this title is applicable, county taxes shall be apportioned among the cities and towns within the county on the basis of the proportion of the total full valuation of taxable real property within the county which is located within each city and town. This total valuation shall be determined by dividing the taxable assessed value of taxable real property by the appropriate city or town equalization rate as certified by the commissioner pursuant to this title. For purposes of this section: (a) "taxable real property" excludes real property which, by statute, is wholly exempt from county taxation, (b) "taxable assessed value" is limited to the assessed value actually subject to county taxation except that it also includes the amount of assessed value partially exempt from county taxation pursuant to (i) sections [four hundred fifty-eight,] four hundred sixty and four hundred sixty-four of this chapter, and (ii) such other sections of law as the county legislature designates by resolution to be included in the total valuation. Where the commissioner furnishes the same state equalization or special equalization rate for two or more of the cities and towns in the county for use by that county in the apportionment of taxes, the commissioner shall concurrently therewith notify the county that county taxes may be apportioned in the manner provided by subdivision two of this section.

S 3. Section 51 of the general municipal law, as amended by chapter 614 of the laws of 1981, is amended to read as follows:

S 51. Prosecution of officers for illegal acts. All officers, agents, commissioners and other persons acting, or who have acted, for and on behalf of any county, town, village or municipal corporation in this state, and each and every one of them, may be prosecuted, and an action may be maintained against them to prevent any illegal official act on the part of any such officers, agents, commissioners or other persons, or to prevent waste or injury to, or to restore and make good, any property, funds or estate of such county, town, village or municipal

1 corporation by any person or corporation whose assessment, or by any
2 number of persons or corporations, jointly, the sum of whose assessments
3 shall amount to one thousand dollars, and who shall be liable to pay
4 taxes on such assessment in the county, town, village or municipal
5 corporation or by any person who owns shares in a cooperative housing
6 corporation where the pro rata share of the assessment attributable to
7 such shares shall amount to one thousand dollars (or by any number of
8 such persons, jointly, the sum of whose pro rata shares shall amount to
9 one thousand dollars) and where the cooperative housing corporation
10 shall be liable to pay taxes on such assessment in the county, town,
11 village or municipal corporation to prevent the waste or injury of whose
12 property the action is brought, or who have been assessed or paid taxes
13 therein upon any assessment of the above-named amount within one year
14 previous to the commencement of any such action, or who has been so
15 assessed but has not paid nor shall be liable to pay any or the full
16 amount of taxes on such assessment because of a veteran's [exemption
17 therefrom] CREDIT THERETO pursuant to SUBSECTION (CCC) OF section [four]
18 SIX hundred [fifty-eight] SIX of the [real property] tax law, or who has
19 been so assessed but has not paid nor shall be liable to pay any or the
20 full amount of taxes on such assessment because of an exemption there-
21 from granted to persons sixty-five years of age or over or their spouses
22 pursuant to the real property tax law. Such person or corporation upon
23 the commencement of such action, shall furnish a bond to the defendant
24 therein, to be approved by a justice of the supreme court or the county
25 judge of the county in which the action is brought, in such penalty as
26 the justice or judge approving the same shall direct, but not less than
27 two hundred and fifty dollars, and to be executed by any two of the
28 plaintiffs, if there be more than one party plaintiff, providing said
29 two parties plaintiff shall severally justify in the sum of five thou-
30 sand dollars. Said bond shall be approved by said justice or judge and
31 be conditioned to pay all costs that may be awarded the defendant in
32 such action if the court shall finally determine the same in favor of
33 the defendant. The court shall require, when the plaintiffs shall not
34 justify as above mentioned, and in any case may require two more suffi-
35 cient sureties to execute the bond above provided for. Such bond shall
36 be filed in the office of the county clerk of the county in which the
37 action is brought, and a copy shall be served with the summons in such
38 action. If an injunction is obtained as herein provided for, the same
39 bond may also provide for the payment of the damages arising therefrom
40 to the party entitled to the money, the auditing, allowing or paying of
41 which was enjoined, if the court shall finally determine that the plain-
42 tiff is not entitled to such injunction. In case the waste or injury
43 complained of consists in any board, officer or agent in any county,
44 town, village or municipal corporation, by collusion or otherwise,
45 contracting, auditing, allowing or paying, or conniving at the contract-
46 ing, audit, allowance or payment of any fraudulent, illegal, unjust or
47 inequitable claims, demands or expenses, or any item or part thereof
48 against or by such county, town, village or municipal corporation, or by
49 permitting a judgment to be recovered against such county, town, village
50 or municipal corporation, or against himself in his official capacity,
51 either by default or without the interposition and proper presentation
52 of any existing legal or equitable defenses, or by any such officer or
53 agent, retaining or failing to pay over to the proper authorities any
54 funds or property of any county, town, village or municipal corporation,
55 after he shall have ceased to be such officer or agent, the court may,
56 in its discretion, prohibit the payment or collection of any such

1 claims, demands, expenses or judgments, in whole or in part, and shall
2 enforce the restitution and recovery thereof, if heretofore or hereafter
3 paid, collected or retained by the person or party heretofore or here-
4 after receiving or retaining the same, and also may, in its discretion,
5 adjudge and declare the colluding or defaulting official personally
6 responsible therefor, and out of his property, and that of his bondsmen,
7 if any, provide for the collection or repayment thereof, so as to indem-
8 nify and save harmless the said county, town, village or municipal
9 corporation from a part or the whole thereof; and in case of a judgment
10 the court may in its discretion, vacate, set aside and open said judg-
11 ment, with leave and direction for the defendant therein to interpose
12 and enforce any existing legal or equitable defense therein, under the
13 direction of such person as the court may, in its judgment or order,
14 designate and appoint. All books of minutes, entry or account, and the
15 books, bills, vouchers, checks, contracts or other papers connected with
16 or used or filed in the office of, or with any officer, board or commis-
17 sion acting for or on behalf of any county, town, village or municipal
18 corporation in this state or any body corporate or other unit of local
19 government in this state which possesses the power to levy taxes or
20 benefit assessments upon real estate or to require the levy of such
21 taxes or assessments or for which taxes or benefit assessments upon real
22 estate may be required pursuant to law to be believed, including the Alba-
23 ny port district commission, are hereby declared to be public records,
24 and shall be open during all regular business hours, subject to reason-
25 able regulations to be adopted by the applicable local legislative body,
26 to the inspection of any taxpayer or registered voter, who may copy,
27 photograph or make photocopies thereof on the premises where such
28 records are regularly kept. This section shall not be so construed as to
29 take away any right of action from any county, town, village or municip-
30 al corporation, or from any public officer, but any right of action now
31 existing, or which may hereafter exist in favor of any county, town,
32 village or municipal corporation, or in favor of any officer thereof,
33 may be enforced by action or otherwise by the persons hereinbefore
34 authorized to prosecute and maintain actions; and whenever by the
35 provisions of this section an action may be prosecuted or maintained
36 against any officer or other person, his bondsmen, if any, may be joined
37 in such action or proceeding and their liabilities as such enforced by
38 the proper judgment or direction of the court; but any recovery under
39 the provisions of this article shall be for the benefit of and shall be
40 paid to the officer entitled by law to hold and disburse the public
41 moneys of such county, town, village or municipal corporation, and
42 shall, to the amount thereof, be credited the defendant in determining
43 his liability in the action by the county, town, village or municipal
44 corporation or public officer. The provisions of this article shall
45 apply as well to those cases in which the body, board, officer, agent,
46 commissioner or other person above named has not, as to those in which
47 it or he has jurisdiction over the subject-matter of its action.
