AN ACT to amend the education law, in relation to prohibiting bullying
on school property; and to amend the penal law, in relation to estab-
lishing the crime of aggravated harassment of teachers and school
personnel

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "schools as safe harbors act".
3 S 2. Legislative intent. In recent years, the state legislature has
4 taken several steps to ensure that school pupils, teachers and other
5 personnel are provided with a safe and secure learning environment on
6 all school property. Through the enactment of provisions requiring the
7 fingerprinting of a school district's prospective employees and the
8 enactment of the Safe Schools Against Violence in Education Act, the
9 legislature has ensured the increased safety of our schools. However,
10 to address concerns that harassment of pupils and school personnel
11 through acts of bullying can be both disruptive to the learning process
12 and harmful, mentally and/or physically, to intended victims, the legis-
13 lature finds that enactment of this legislation to prohibit bullying on
14 school property is necessary and appropriate to further ensure that New
15 York state's public schools be made as safe as possible.
16 S 3. Section 801-a of the education law, as amended by chapter 102 of
17 the laws of 2012, is amended to read as follows:
18 S 801-a. Instruction in civility, citizenship and character education.
19 The regents shall ensure that the course of instruction in grades
20 kindergarten through twelve includes a component on civility, citizen-
21 ship and character education. Such component shall instruct students on
22 the principles of honesty, tolerance, personal responsibility, respect

7 use of the internet and electronic communications. The regents shall
8 determine how to incorporate such component in existing curricula and
9 the commissioner shall promulgate any regulations needed to carry out
10 such determination of the regents. For the purposes of this section,

12 and sensitivity to harassment, bullying, discrimination and civility in
13 the relations of people of different races, weights, national origins,

15 ties, sexual orientations, genders, and sexes.
