Introduced by M. of A. BRENNAN, COLTON -- read once and referred to the  
Committee on Labor

AN ACT to amend the labor law, in relation to establishing the "minimum  
standards for subsidized jobs act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-  
BLY, DO ENACT AS FOLLOWS:

1     Section 1. Short title. This act shall be known as the "minimum stand-  
2     ards for subsidized jobs act".  
3     S 2. Legislative findings and purpose. The legislature hereby finds  
4     and declares that:  
5     (a) Every year, New York state awards money in economic development  
6     subsidies to for-profit businesses.  
7     (b) When government invests in economic development, it makes no  
8     economic sense to support the creation or promotion of jobs that do not  
9     give workers the chance to earn a decent living.  
10    (c) When state-subsidized jobs provide low wages and poor benefits,  
11    they increase the need for government services, including public assist-  
12    ance for food, housing, health care, and child care.  
13    The purpose of this act is to improve the effectiveness of economic  
14    development expenditures, take pressure off state social services  
15    programs, and improve the public health and welfare by ensuring that  
16    major state subsidies are used to support at least minimum living stand-  
17    ards for working families.  
18    S 3. The labor law is amended by adding a new article 19-D to read as  
19    follows:

20                                     ARTICLE 19-D  
21                     MINIMUM STANDARDS FOR SUBSIDIZED JOBS ACT
