5 amount of no-fault coverage required by article 51 of the insurance law,  
6 and additional coverage options, including but not limited to comprehensive,

14 including insurance companies, insurance producers, consumer advocacy  
15 groups, and any other person or entity such department deems necessary.

17 as to whether the required minimum coverage amounts for  
18 liability, uninsured motorist coverage, and no-fault should be  
19 increased, the extent to which such amounts should be increased, and the  
20 impact this would have on premiums. Such department shall submit its
