AN ACT to amend the public service law, in relation to a rate classification for volunteer emergency response organizations

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. Volunteer emergency
2 response organizations provide a public benefit to the state of New York
3 and lessen the burdens of government. Further, members of these not-for-
4 profit organizations risk their lives to ensure the safety, health and
5 general welfare of our citizens. In the past, the state of New York
6 recognized the value of similar organizations and the sacrifices of
7 their members when it established a reduced utility rate for veterans'
8 organizations. Therefore, the legislature hereby finds and declares that
9 volunteer emergency response organizations and veterans' organizations
10 are similarly situated in their structures, practices and actions, and
11 further finds and declares that a reduced utility rate is justified for
12 volunteer emergency response organizations to help ensure their contin-
13 ued operation.

14 S 2. Subdivision 14 of section 66 of the public service law, as
15 amended by chapter 696 of the laws of 1936, is amended to read as
