FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would require the payment of retirement benefits by the New York State and Local Employees' Retirement System (ERS) and the New York State and Local Police and Fire Retirement System (PFRS) by direct deposit or debit card, beginning on a date to be determined by the comptroller, but no sooner than January 1, 2017. A retiree or beneficiary of these Systems prior to, on or after the effective date of this bill shall elect either form of payment. Additionally this bill would allow a retiree or beneficiary to submit a request for exemption from this requirement.

If this bill is enacted, we anticipate that the printing and postage savings will exceed the small initial administrative costs.
