1. A health certificate shall be furnished by each student in the public schools upon his or her entrance in such schools and upon his or her entry into the grades prescribed by the commissioner in regulations, provided that such regulations shall require such certificates at least twice during the elementary grades and twice in the secondary grades. An examination and health history of any child may be required by the local school authorities at any time in their discretion to promote the educational interests of such child. Each certificate shall be signed by a duly licensed physician, physician assistant, or nurse practitioner, who is authorized by law to practice in this state, and consistent with subdivision three of section six thousand nine hundred two of this chapter, or by a duly licensed physician, physician assistant, or nurse practitioner, who is authorized to practice in the jurisdiction in which the examination was given, provided that the commissioner has determined that such jurisdiction has standards of licensure and practice compara-

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [ ] is old law to be omitted.

ble to those of New York. Each such certificate shall describe the condition of the student when the examination was made, which shall not more than twelve months prior to the commencement of the school year which the examination is required, and shall state whether such student is in a fit condition of health to permit his or her attendance 5 6 at the public schools. THE EXAMINATION MAY INCLUDE A DIABETES RISK ANALYSIS AND, IF NECESSARY, CHILDREN WITH RISK FACTORS FOR TYPE 1 7 8 DIABETES, OR RISK FACTORS ASSOCIATED WITH TYPE 2 DIABETES SUCH AS OBESI-TY, A FAMILY HISTORY OF TYPE 2 DIABETES, OR ANY OTHER FACTORS CONSISTENT 9 10 INCREASED RISK MAY ALSO BE TESTED FOR DIABETES. Each such certif-11 icate shall also state the student's body mass index (BMI) and weight status category. For purposes of this section, BMI is computed as the 12 weight in kilograms divided by the square of height in meters or 13 weight in pounds divided by the square of height in inches multiplied by 14 15 a conversion factor of 703. Weight status categories for children and adolescents shall be as defined by the commissioner of health. In all 16 school districts such physician, physician assistant or nurse practi-17 18 tioner shall determine whether a one-time test for sickle cell anemia is 19 necessary or desirable and he or she shall conduct such a test 20 certificate shall state the results. 21

- S 2. Subdivisions 4 and 5 of section 918 of the education law, as added by chapter 493 of the laws of 2004, are amended to read as follows:
- 4. The committee is encouraged to study AND MAKE RECOMMENDATIONS ON all facets of the current nutritional policies of the district ing, but not limited to, the goals of the district to promote health and proper nutrition, REDUCE THE INCIDENCE OF CHILDHOOD OBESITY, vending machine sales, menu criteria, educational curriculum teaching healthy nutrition, AND educational information provided to parents or quardians regarding healthy nutrition and the health risks associated with obesi-ASTHMA, CHRONIC BRONCHITIS AND OTHER CHRONIC RESPIRATORY DISEASES. PROVIDED, FURTHER, THE COMMITTEE MAY PROVIDE INFORMATION TO PERSONS PARENTAL RELATION ON opportunities offered to parents or guardians to encourage healthier eating habits to students, and the education provided to teachers and other staff as to the importance of healthy nutrition AND ABOUT THE DANGERS OF CHILDHOOD OBESITY. In addition committee shall consider recommendations and practices of districts and nutrition studies.
- 5. The committee is encouraged to report periodically to the district regarding practices that will educate teachers, parents or guardians and children about healthy nutrition and raise awareness of the dangers of CHILDHOOD obesity, ASTHMA, CHRONIC BRONCHITIS AND OTHER CHRONIC RESPIRATORY DISEASES. The committee is encouraged also to provide any parent teacher associations in the district with such findings and recommendations.
- S 3. Subdivision 1 of section 804-a of the education law, as added by chapter 730 of the laws of 1986, is amended to read as follows:
- 1. Within the amounts appropriated, the commissioner is hereby authorized to establish a demonstration program and to distribute state funds to local school districts, boards of cooperative educational services and in certain instances community school districts, for the development, implementation, evaluation, validation, demonstration and replication of exemplary comprehensive health education programs to assist the public schools in developing curricula, training staff, and addressing local health education needs of students, parents, and staff. SUCH PROGRAMS MAY SERVE THE PURPOSE OF DEVELOPING AND ENHANCING PUPILS'
