application was received by the New York State Teachers' Retirement System, to re-file such application on behalf of her deceased husband. She must file a request with the head of the New York State Teachers' Retirement System within one year of the effective date of this act. Such application for disability retirement shall be deemed to have become effective on March 18, 1999, and the death benefit payable would therefore be in accordance with the option election, and not the active member death benefit. The benefit payable pursuant to the provisions of this bill shall be paid to Christine M. Allen and be in lieu of any other death benefit.

The cost for this benefit is equal to the increase in the present value of benefits, which is estimated to be \$260,000.
