AN ACT to amend the public health law and the real property tax law, in relation to authorizing real property taxing jurisdictions to grant a tax exemption for a primary residence purchased by a physician in a physician shortage area; and to amend the real property tax law, in relation to providing state aid to such jurisdictions for the savings granted by such exemption

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature hereby  
2 finds that several communities within the state, particularly those  
3 located within rural areas, lack adequate access to physicians. It is  
4 well established that ensuring the sufficient availability of general  
5 practitioners and specialists directly benefits the health of state  
6 residents, and the legislature has enacted several measures towards that  
7 end.  
8 Furthermore, the legislature finds that municipalities are often best  
9 situated to evaluate the needs of their communities. Therefore, it is  
10 the intent of the legislature to offer counties, cities, towns, villages  
11 and school districts the option to provide real property tax exemptions,  
12 should they determine that such an incentive would aid in attracting  
13 physicians to areas currently underserved by the medical community.  
14 S 2. Section 206 of the public health law is amended by adding a new  
15 subdivision 30 to read as follows:
