FISCAL NOTE. - Pursuant to Legislative Law, Section 50:

This bill would grant any Nassau County Tier 3, 4, 5 and 6 chief fire marshal, assistant fire marshal, division supervising fire marshal, supervising fire marshal, fire marshal and fire marshal trainee an enhanced disability benefit for injuries sustained in the performance of duty. The benefit for a performance of duty disability would be 50% of final average salary.

If this bill is enacted during the 2016 session, there will be an estimated increase of approximately \$33,000 in the annual contributions of Nassau County for the fiscal year ending March 31, 2017.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$204,000 which would be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2017. If Nassau County elects to amortize this cost over a 15 year period, the cost for the first year would be \$21,000.

These estimated costs above are based on 45 fire marshals employed by Nassau Count with a total estimated annual salary of approximately \$4.8 million for the fiscal year ending March 31, 2015.
