30 and second highest number of votes shall each serve for five years, the
31 trustees receiving the third and fourth highest number of votes shall
32 each serve for four years, the trustees receiving the fifth and sixth
33 highest number of votes shall each serve for three years, the trustees
34 receiving the seventh and eighth highest number of votes shall serve for

38 the election provided for by this act to serve five year terms, such
39 terms to commence at the first regular meeting of the board of trustees
40 of the district next following their election. All other vacancies
41 caused by resignation, removal, death, or inability to serve shall be
42 filled by appointment by the board of trustees of the district until the
43 next election, at which time the vacancy shall be filled by election for
44 the remaining portion of the term. At any election where one or more
45 persons are to be elected for the unexpired portion of a term or terms,
46 the candidate receiving the largest number of votes shall be entitled to
47 the full five year term and the candidates receiving the next highest
48 number of votes shall be entitled, in decreasing order of the respective
49 numbers of votes, to the vacancy or vacancies, in decreasing order of
50 the length of the unexpired portion or portions of a term or terms. Only
51 qualified voters of the district shall be eligible for election to the
52 board of trustees. The board of trustees at its first meeting after each
53 annual election shall elect or appoint a president, vice-president, and
54 a secretary, who shall be members of the board, and a treasurer and such
55 other officers as they deem necessary. If the board so determines, the
56 office of treasurer may be held by an individual who is not a member of

1 the board of trustees and, in that event, such officer may, if the board
2 so determines, receive compensation as fixed by resolution of the board.

3 S 4. Finances. 1. The initial budget to support the district shall be
4 determined by a vote of the voters of the district in the initial
5 election as hereinafter provided for. All future budgets that increase
6 or decrease the district's proposed tax levy as compared to the tax levy
7 in the preceding fiscal year's budget shall be submitted to the resi-

9 of this act. Funds voted for library purposes at the initial election
10 and at all future elections shall be considered an annual appropriation

12 and Clarkson for the district in the same manner and at the same time as
13 other taxes in the towns of Sweden and Clarkson.

14 2. The district's fiscal year shall run from the first day of January
15 to the thirty-first day of December. The board of trustees of the
16 district shall annually file with the clerk of the towns on or before
17 the first day of November an estimate of the proposed budget including
18 costs of library services to be raised by levy for the library district
19 in the fiscal year beginning on the first day of January of the next

25 within the town of Clarkson, and the town board of the town of Clarkson
26 shall levy a tax against the real property lying within the district,
27 except real property lying within the town of Sweden, which together
28 shall equal the amount to be raised by tax as approved by the voters of
29 the district. Such tax shall be levied by the town of Sweden and the
30 town of Clarkson in proportion to the total combined value of the real
31 property lying within the town of Sweden and the town of Clarkson,
32 including the parcels lying within the village of Brockport. The town
33 boards shall pay the full amount of the tax levy approved by the voters
34 over to the treasurer of the district pursuant to the schedule set forth
35 in this section. The town boards shall each annually pay over to the
36 treasurer of the district on or before the thirtieth day after their
37 respective tax collection period ends, the full amount of the levy due
38 from the parcels subject to their respective pay levy. If necessary to
39 meet this schedule, the town boards may issue tax anticipation notes
40 pursuant to article II of the local finance law to obtain the necessary
41 moneys therefor.

42 4. The town boards of the towns of Sweden and Clarkson shall have the
43 power to authorize, sell, and issue bonds, notes, and other evidences of
44 indebtedness pursuant to the local finance law in order to permit the
45 district to provide facilities or improved facilities for library
46 purposes. Upon written request from the board of trustees of the
47 district, after approval by the qualified voters of such district, and
48 to the extent the proposed capital improvements to the library facili-
49 ties are to be constructed within the respective municipality, the town
50 boards shall authorize, sell, and issue such bonds, notes, or other
51 evidences of indebtedness as are necessary to accomplish the improve-
52 ments specified in the notice. The proceeds of such bonds, notes, or
53 other evidences of indebtedness shall be paid to the treasurer of the
54 district maintained in a segregated account in accordance with section
55 165.00 of the local finance law and expended by the treasurer only on
56 specific authorization by the board of trustees.

1 5. The board of trustees of the district may accept on behalf of the
2 district any absolute gift, devise, or bequest of real or personal prop-
3 erty and such conditional gifts, devises, or bequests as it shall by
4 resolution approve.

5 6. The treasurer of the district shall be custodian of all funds of
6 the district, including gifts and trust funds paid over to the trustees.
7 The board of trustees may authorize the investment of funds in the
8 custody of the treasurer in the same manner in which town funds may be
9 invested. Proceeds of obligations received from the town may be invested
10 in accordance with section 165.00 of the local finance law. The town of
11 Sweden and the town of Clarkson shall promptly pay over to the district
12 all monies which belong to or are raised for the district. No monies
13 shall be disbursed by the treasurer of the district except after audit
14 by the board of trustees. The board of trustees of the district shall
15 audit all claims and shall order the payment thereof, except as other-
16 wise provided by this section. No such claims shall be audited or
17 ordered paid by the trustees unless an itemized voucher therefor shall
18 be presented to the board of trustees for audit and allowance. The
19 provisions of this section shall not be applicable to payment of utility
20 costs, claims of fixed salaries, and amounts which the district may be
21 required to pay on account of retirement contributions for past or
22 current services to officers and employees of the district. The treasur-
23 er shall keep such records in such manner as the board of trustees may
24 require.

25 S 5. Charter, commencement of operations, and transfer of property and
26 employees. The initially elected trustees of the district shall, within
27 ninety days from the date of approval of the district by the voters of
28 the district, apply to the board of regents for a charter as a public
29 library. Upon the granting of such a charter by the board of regents,
30 title to all liabilities and assets, including all property, both real
31 and personal, and both tangible and intangible, all trust and other
32 funds, and all other obligations, now held by the existing Seymour
33 library in the county of Monroe shall be transferred to, vested in, and
34 be acquired by the district established by this act. The above
35 provisions for transfer to, vesting and acquisition of real and personal
36 property, both tangible and intangible, and all trust and other funds,
37 are effectuated by operation of law pursuant to the authority of this
38 act, except that, for purposes of clarity of real property records,
39 deeds of conveyance shall be executed and filed for any parcels of real
40 property. Upon the transfer of all such property, the existing Seymour
41 library in the county of Monroe shall be deemed dissolved. Upon the
42 granting of such charter by the board of regents, all employees of the
43 existing Seymour library shall become employees of the district upon the
44 same terms and conditions of employment and at the same rate of pay as
45 their previous employment by the existing Seymour library.

46 S 6. Ad valorem levy. The several lots and parcels of land within the
47 area of the district are hereby determined to be benefited by the
48 library facilities and devices existing as of the effective date of this
49 act, and the towns of Sweden and Clarkson are hereby authorized to
50 assess, levy, and collect the necessary expenses of operation, mainte-
51 nance, and repair of such facilities and services and such capital
52 improvements, including debt service on bonds, notes, or other evidences
53 of indebtedness of the town issued for the purpose of the district, as
54 may be hereafter authorized pursuant to the provisions of this act from
55 such lots and parcels of land in the same manner and at the same time as
56 other town charges.

1 S 7. Education law. Except as otherwise provided by this act, the
2 provisions of the education law relating to public libraries shall be
3 applicable to the district established by this act.

4 S 8. The district is deemed a special district which is separate and
5 distinct from the towns and village for all purposes, including but not
6 limited to management, appropriations, and expenditures. Any tax levy
7 for the district shall not be charged or imputed to the towns or
8 village, and shall instead be charged or imputed to the district, for
9 purposes of any general or special laws enacted by the legislature.

10 S 9. Section 5 of chapter 672 of the laws of 1993, amending the public
11 authorities law relating to the construction and financing of facilities
