26 elections shall utilize the information provided in the application and  
27 shall attempt to verify such information with the information provided  
28 by the department of motor vehicles, social security administration and  
29 any other lawful available information source. If the county board of  
30 elections is unable to verify the identity of the applicant within twen-  
31 ty-one days of the receipt of the application, it shall immediately take  
32 steps to confirm that the information provided by the applicant was  
33 accurately utilized by such county board of elections, was accurately  
34 verified with other information sources and that no data entry error, or

50 dropped back in the mail. The voter's registration and enrollment shall  
51 be complete upon receipt of the application by the appropriate county  
52 board of elections. The failure of a county board of elections to verify  
53 an applicant's identity shall not be the basis for the rejection of a  
54 voter's application, provided, however, that such verification failure  
55 shall be the basis for requiring county board of elections to take the  
56 additional verification steps provided by this chapter. The notice shall
