2 in writing that the bill has not been paid and request that the board
3 make an award for payment of such bill. The board or the chair may make
4 an award not in excess of the established fee schedules for any such
5 bill or part thereof which remains unpaid after said forty-five day
6 period or thirty days after all other questions duly and timely raised
7 in accordance with the provisions of this chapter, relating to the
8 employer's liability for the payment of such amount, shall have been
9 finally determined adversely to the employer, whichever is later, in
10 accordance with rules promulgated by the chair, and such award may be
11 collected in like manner as an award of compensation. The chair shall
12 assess the sum of fifty dollars against the employer for each such award
13 made by the board, which sum shall be paid into the state treasury.

14 In the event that the employer has provided an explanation in writing
15 why the bill has not been paid, in part or in full, within the aforesaid
16 time period, and the parties [can not] CANNOT agree as to the value of
17 medical aid rendered under this chapter, such value shall be decided by
18 arbitration if requested by the hospital, physician, PHARMACIST, or
19 self-employed physical or occupational therapist, in accordance with the
20 provisions of subdivision two or subdivision three of this section, as
21 appropriate, and rules and regulations promulgated by the chair.

31 chapter, relating to the employer's liability for the payment of such

38 requests, such value shall be decided by a single arbitrator process,
39 pursuant to rules promulgated by the chair. The chair shall appoint a
40 physician who is a member in good standing of the medical society of the
41 state of New York to determine the value of such disputed medical bill.
42 Where the physician whose charges are being arbitrated is a member in

14 society, the members of such arbitration committee shall be physicians
15 of such organization, one to be appointed by the president of that
16 organization, one by the employer or carrier and the third by the chair

28 the amount of the disputed bill exceeds one thousand dollars, the arbi-
29 tration committee shall be similarly selected and identical in composi-

40 designated by the chair of the workers' compensation board provided,
41 however, that the chair finds that there are a sufficient number of

13 arbitration committee appointed by the chair for that purpose, which
14 committee shall consider all of the charges of the hospital, unless the
15 hospital expressly requests a single arbitrator process pursuant to
16 paragraph (a) of this subdivision. The committee shall consist of three
17 physicians. One member of the committee may be nominated by the chair
18 upon recommendation of the president of the hospital association of New
