## 791--A

2015-2016 Regular Sessions

IN ASSEMBLY

January 7, 2015

Introduced by M. of A. GUNTHER, JAFFEE, O'DONNELL, TITONE, LAVINE, QUART, ZEBROWSKI, RODRIGUEZ -- Multi-Sponsored by -- M. of A. PERRY, RAIA -- read once and referred to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to meningococcal immunizations

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Section 2164 of the public health law, as added by chapter 1 994 of the laws of 1966, the section heading and subdivisions 3, 5, 2 and 3 6, paragraph (a) of subdivision 7 and the opening paragraph of subdivision 8-a as amended by chapter 189 of the laws of 2006, paragraph b of 4 subdivision 1 and subdivision 7 as amended by chapter 443 of the laws of 5 1979, paragraph c of subdivision 1 as amended by chapter 119 of the laws 6 7 2005, paragraph d of subdivision 1 as added and subdivisions 4 and of 8-a as amended by chapter 538 of the laws of 1989, subdivision 2 as 8 9 separately amended by chapters 189 and 506 of the laws of 2006, subdivi-10 sions 8 and 10 as renumbered by chapter 633 of the laws of 1975, subdi-11 vision 9 as separately amended by chapters 405 and 538 of the laws of subdivision 10 as added by chapter 1094 of the laws of 1968, and 12 1989. 13 subdivision 11 as added by chapter 521 of the laws of 1994, is amended 14 to read as follows:

15 S 2164. Definitions; immunization against poliomyelitis, mumps, 16 measles, diphtheria, rubella, varicella, Haemophilus influenzae type b 17 (Hib), pertussis, tetanus, pneumococcal disease, MENINGOCOCCAL DISEASE, 18 and hepatitis B. 1. As used in this section, unless the context 19 requires otherwise:

20 a. The term "school" means and includes any public, private or paro-21 chial child caring center, day nursery, day care agency, nursery school, 22 kindergarten, elementary, intermediate or secondary school.

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets
[] is old law to be omitted.

LBD02179-04-5

b. The term "child" shall mean and include any person between the ages of two months and eighteen years.

3 "person in parental relation to a child" shall mean and c. The term 4 include his father or mother, by birth or adoption, his legally appointed guardian, or his custodian. A person shall be regarded as the 5 6 custodian of a child if he has assumed the charge and care of the child 7 because the parents or legally appointed guardian of the minor have died, are imprisoned, are mentally ill, or have been committed to an 8 9 institution, or because they have abandoned or deserted such child or 10 are living outside the state or their whereabouts are unknown, or have 11 designated the person pursuant to title fifteen-A of article five of the 12 general obligations law as a person in parental relation to the child.

13 d. The term "health practitioner" shall mean any person authorized by 14 law to administer an immunization.

15 2. a. Every person in parental relation to a child in this state shall have administered to such child an adequate dose or doses of an immuniz-16 ing agent against poliomyelitis, mumps, measles, diphtheria, rubella, 17 18 varicella, Haemophilus influenzae type b (Hib), pertussis, tetanus, 19 pneumococcal disease, and hepatitis B, which meets the standards approved by the United States public health service for such biological 20 21 products, and which is approved by the department under such conditions 22 as may be specified by the public health council.

23 Every person in parental relation to a child in this state born on b. 24 or after January first, nineteen hundred ninety-four and entering sixth 25 grade or a comparable age level special education program with an unas-26 signed grade on or after September first, two thousand seven, shall have 27 administered to such child a booster immunization containing diphtheria 28 and tetanus toxoids, and an acellular pertussis vaccine, which meets the 29 standards approved by the United States public health service for such 30 biological products, and which is approved by the department under such conditions as may be specified by the public health council. 31

32 C. EVERY PERSON IN PARENTAL RELATION TO A CHILD IN THIS STATE ENTERING 33 SIXTH GRADE AND ELEVENTH GRADE OR A COMPARABLE AGE OR HAVING ENTERED 34 LEVEL SPECIAL EDUCATION PROGRAM WITH AN UNASSIGNED GRADE ON OR AFTER TWO THOUSAND FIFTEEN, SHALL HAVE ADMINISTERED TO SUCH 35 SEPTEMBER FIRST, CHILD AN ADEQUATE DOSE OR DOSES OF IMMUNIZING AGENTS AGAINST MENINGOCOC-36 37 CAL DISEASE AS RECOMMENDED BY THE ADVISORY COMMITTEE ON IMMUNIZATION 38 PRACTICES OF THE CENTERS FOR DISEASE CONTROL AND PREVENTION, WHICH MEETS 39 THE STANDARDS APPROVED BY THE UNITED STATES PUBLIC HEALTH SERVICE FOR 40 SUCH BIOLOGICAL PRODUCTS, AND WHICH IS APPROVED BY THE DEPARTMENT UNDER SUCH CONDITIONS AS MAY BE SPECIFIED BY THE PUBLIC HEALTH COUNCIL. 41

42 The person in parental relation to any such child who has not 3. previously received such immunization 43 shall present the child to a 44 health practitioner and request such health practitioner to administer 45 the necessary immunization against poliomyelitis, mumps, measles, diphtheria, Haemophilus influenzae type b (Hib), rubella, varicella, 46 47 pertussis, tetanus, pneumococcal disease, MENINGOCOCCAL DISEASE, and 48 hepatitis B as provided in subdivision two of this section.

49 4. If any person in parental relation to such child is unable to pay 50 for the services of a private health practitioner, such person shall 51 present such child to the health officer of the county in which the 52 child resides, who shall then administer the immunizing agent without 53 charge.

54 5. The health practitioner who administers such immunizing agent 55 against poliomyelitis, mumps, measles, diphtheria, Haemophilus influen-56 zae type b (Hib), rubella, varicella, pertussis, tetanus, pneumococcal 1 disease, MENINGOCOCCAL DISEASE, and hepatitis B to any such child shall 2 give a certificate of such immunization to the person in parental 3 relation to such child.

4 6. In the event that a person in parental relation to a child makes 5 application for admission of such child to a school or has a child 6 and there exists no certificate or other acceptable attending school 7 evidence of the child's immunization against poliomyelitis, mumps, 8 measles, diphtheria, rubella, varicella, hepatitis B, pertussis, tetanus, and, where applicable, Haemophilus influenzae type b (Hib), MENIN-9 10 GOCOCCAL DISEASE, and pneumococcal disease, the principal, teacher, 11 owner or person in charge of the school shall inform such person of the necessity to have the child immunized, that such immunization may be 12 administered by any health practitioner, or that the child may be immun-13 14 ized without charge by the health officer in the county where the child 15 resides, if such person executes a consent therefor. In the event that 16 such person does not wish to select a health practitioner to administer immunization, he or she shall be provided with a form which shall 17 the 18 give notice that as a prerequisite to processing the application for 19 admission to, or for continued attendance at, the school such person 20 shall state a valid reason for withholding consent or consent shall be 21 given for immunization to be administered by a health officer in the 22 public employ, or by a school physician or nurse. The form shall provide for the execution of a consent by such person and it shall also state 23 that such person need not execute such consent if subdivision eight or 24 25 nine of this section apply to such child.

26 7. (a) No principal, teacher, owner or person in charge of a school shall permit any child to be admitted to such school, or to attend such 27 school, in excess of fourteen days, without the certificate provided for 28 29 in subdivision five of this section or some other acceptable evidence of 30 the child's immunization against poliomyelitis, mumps, measles, diphtheria, rubella, varicella, hepatitis B, pertussis, tetanus, 31 and, where 32 applicable, Haemophilus influenzae type b (Hib), MENINGOCOCCAL DISEASE, 33 and pneumococcal disease; provided, however, such fourteen day period may be extended to not more than thirty days for an individual student 34 35 by the appropriate principal, teacher, owner or other person in charge where such student is transferring from out-of-state or from another 36 37 country and can show a good faith effort to get the necessary certif-38 ication or other evidence of immunization.

39 (b) A parent, a guardian or any other person in parental relationship 40 to a child denied school entrance or attendance may appeal by petition 41 to the commissioner of education in accordance with the provisions of 42 section three hundred ten of the education law.

8. If any physician licensed to practice medicine in this state certifies that such immunization may be detrimental to a child's health, the requirements of this section shall be inapplicable until such immunization is found no longer to be detrimental to the child's health.

8-a. Whenever a child has been refused admission 47 or continued to, 48 attendance at, a school as provided for in subdivision seven of this section because there exists no certificate provided for in subdivision 49 50 five of this section or other acceptable evidence of the child's immuni-51 zation against poliomyelitis, mumps, measles, diphtheria, rubella, vari-52 cella, hepatitis B, pertussis, tetanus, and, where applicable, Haemophi-53 lus influenzae type b (Hib), MENINGOCOCCAL DISEASE, and pneumococcal 54 disease, the principal, teacher, owner or person in charge of the school 55 shall:

a. forward a report of such exclusion and the name and address of such child to the local health authority and to the person in parental relation to the child together with a notification of the responsibility of such person under subdivision two of this section and a form of consent as prescribed by regulation of the commissioner, and

6 provide, with the cooperation of the appropriate local health b. authority, for a time and place at which an immunizing agent or agents 7 8 shall be administered, as required by subdivision two of this section, to a child for whom a consent has been obtained. Upon failure of a local 9 10 health authority to cooperate in arranging for a time and place at which 11 an immunizing agent or agents shall be administered as required by subdivision two of this section, the commissioner shall arrange for such 12 administration and may recover the cost thereof from the amount of state 13 aid to which the local health authority would otherwise be entitled. 14

9. This section shall not apply to children whose parent, parents, or guardian hold genuine and sincere religious beliefs which are contrary to the practices herein required, and no certificate shall be required as a prerequisite to such children being admitted or received into school or attending school.

20 10. The commissioner may adopt and amend rules and regulations to 21 effectuate the provisions and purposes of this section.

11. Every school shall annually provide the commissioner, on forms provided by the commissioner, a summary regarding compliance with the provisions of this section.

25 S 2. This act shall take effect immediately.
