23 S 3. Subdivision 3 of section 54-0701 of the environmental conserva-
24 tion law, as amended by chapter 146 of the laws of 2000, is amended to
25 read as follows:

26 3. "Recyclables recovery program" means a program undertaken by a
27 municipality consistent with requirements of [section] SECTIONS one
28 hundred twenty-aa AND/OR ONE HUNDRED TWENTY-DD of the general municipal
29 law to provide for the environmentally sound recovery of recyclables,
30 primarily involving the collection, aggregation and processing of
31 recyclable materials for their use as raw materials for new products or
32 for other useful purposes other than for energy recovery, through facil-
33 ities planned, designed and constructed to ensure environmental
34 protection and to maximize the potential for recyclables recovery. A
35 recyclables recovery program also shall mean planning, educational and
36 promotional activities to increase public awareness of and participation
37 in recycling. Such program shall have been approved by the commissioner
38 and undertaken consistent with any local solid waste management plan
39 pursuant to section 27-0107 of this chapter.

40 S 4. This act shall take effect on the thirtieth day after it shall
41 have become a law.
