35 S 15. Payment and publication of grievance arbitration settlements and
36 awards. Notwithstanding any provision of law to the contrary, the appro-
37 priations contained in this act shall be available to the state for the
38 payment and publication of grievance arbitration settlements and awards
39 pursuant to article 15 of the collective negotiating agreement between
40 the state and the employee organization representing the collective
41 negotiating unit consisting of commissioned and non-commissioned offi-
42 cers in the division of state police.

43 S 16. Date of entitlement to salary increase. Notwithstanding the
44 provisions of this act or of any other provision of law to the contrary,
45 the increase of salary or compensation of any member of the collective
46 negotiating unit consisting of commissioned and non-commissioned offi-
47 cers in the division of state police provided by this act shall be added
48 to the salary of such member at the beginning of that payroll period the
49 first day of which is nearest to the effective date of such increase as
50 provided in this act, or at the beginning of the earlier of two payroll
51 periods the first days of which are nearest but equally near to the
52 effective date of such increase as provided in this act; provided,
53 however, that, for the purposes of determining the salary of such offi-
54 cer or employee upon reclassification, reallocation, appointment,
55 promotion, transfer, demotion, reinstatement, or other change of status,
56 such salary increase shall be deemed to be effective on the date thereof

1 as prescribed by this act, with payment thereof pursuant to this section
2 on a date prior thereto, instead of on such effective date, and shall
3 not operate to confer any additional salary rights or benefits on such
4 officer or employee. Payment of such salary increase may be deferred
5 pursuant to section seventeen of this act.

6 S 17. Deferred payment of salary increase. Notwithstanding the
7 provisions of any other section of this act or of any other provision of
8 law to the contrary, pending payment pursuant to this act of the basic
9 annual salaries of incumbents of positions subject to this act, such
10 incumbents shall receive, as partial compensation for services rendered,
11 the rate of compensation otherwise payable in their respective posi-
12 tions. An incumbent holding a position subject to this act at any time
13 during the period from April 1, 2011 until the time when basic annual
14 salaries are first paid pursuant to this act for such services in excess
15 of the compensation actually received therefor, shall be entitled to a
16 lump sum payment for the difference between the salary to which such
17 incumbent is entitled for such service and the compensation actually
18 received therefor. Such lump sum payment shall be made as soon as prac-
19 ticable. Any amount payable in such lump sum paid represents compen-
20 sation earned in each of the year or years for which it is calculated
21 pursuant to this act and not as compensation earned wholly in the year
22 during which the lump sum is paid. Pursuant to the terms of the agree-
23 ment negotiated between the state and the employee organization repres-
24 enting the collective negotiating unit consisting of commissioned and
25 non-commissioned officers in the division of state police, there shall
26 be no retroactive payment of the increases to the compensation provided
27 in section five or six of this act for the period April 1, 2011 to March
28 31, 2014 under any circumstances.

29 S 18. Use of appropriations. Notwithstanding any provision of the
30 state finance law or any other provision of law to the contrary, the
31 state comptroller is authorized to pay any amounts required by the fore-
32 going provisions of this act. To the extent that existing appropriations
33 available to any state department or agency in any fund are insufficient
34 to accomplish the purposes set forth in this section, the director of
35 the budget is authorized to allocate to the various departments and
36 agencies, from any appropriations available in any fund, the amounts
37 necessary to make such payments. Any appropriations or other funds
38 available to any state department or agency for personal service or for
39 other related employee benefits during the fiscal year commencing April
40 1, 2014 or April 1, 2015 shall be available for the payment of any
41 liabilities or obligations incurred pursuant to the foregoing provisions
42 of this act, whether occurring prior to or during the state fiscal year
43 commencing April 1, 2014 or April 1, 2015.

44 S 19. Appropriations. Notwithstanding any provision of the state
45 finance law or any other provision of law to the contrary, the several
46 amounts as hereinafter set forth in this section are hereby appropriated
47 from the funds so designated for use by any state department or agency
48 for the fiscal year beginning April 1, 2014 or April 1, 2015 to supple-
49 ment appropriations from each respective fund available for personal
50 service, other than personal service and fringe benefits, and to carry
51 out the provisions of this act. The monies hereby appropriated are
52 available for payment of any liabilities or obligations incurred prior
53 to or during the state fiscal year commencing April 1, 2014 or April 1,
54 2015. For this purpose, these appropriations shall remain in full force
55 and effect for the payment of liabilities incurred on or before April 1,
56 2015 or April 1, 2016. No money shall be available for expenditure from

1 this appropriation until a certification of approval has been issued by
