AN ACT to amend the mental hygiene law and the state finance law, in relation to the reinvestment of funds into community-based services for persons suffering from chemical dependence

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent and findings. The legislature finds
2 that declines in the state prison inmate census, due to the utilization
3 of alternatives to incarceration and changes in the sentencing laws for
4 persons convicted of drug offenses, create concomitant demand and strain
5 on community-based chemical dependence treatment services.
6 The legislature also finds that as state expenditures for incarcerated
7 individuals are reduced due to the aforementioned interventions, it is
8 necessary and appropriate to establish a dedicated fund, comprised of
9 those savings, which will be reinvested into the development and expansion
10 of community-based chemical dependence treatment and prevention
11 programs.
12 The legislature further finds that as it is well established that
13 chemical dependence prevention and treatment is the most effective
14 response to chemical abuse and addiction and the resulting criminal
15 offenses, the availability of effective prevention and treatment
16 programs should be a prominent component of the state's response.
17 S 2. Section 1.03 of the mental hygiene law is amended by adding a new
18 subdivision 59 to read as follows:

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets
