Any expense designated by the commissioner as a capital expense shall be included in the capital budget of the board of cooperative educational services and, except as otherwise provided in this paragraph, shall be aided in the same manner as an administrative expense. Any such payment shall not be considered part of the total expenses of the board for purposes of determining the administrative and clerical expenses not to exceed ten percent otherwise eligible for aid under this subdivision, and such payments shall be considered for the purpose of apportionment during the current school year such payment is made. 53 adoption of such a bond resolution, which bond resolution may be adopted  
54 at a regular meeting, or a special meeting of the board of education  
55 called on not less than twelve hours oral or written notice, which may  
56 be held either within or outside of such district, (iv) any such bond

1 resolution shall take effect immediately and shall not be subject either  
2 to a mandatory or permissive referendum, and (v) no such bond resolution  
3 shall be adopted prior to the execution by the board of cooperative

48 indebtedness. The period of probable usefulness of such specific object  
49 or purpose is hereby determined to be thirty years. Each such component  
50 school district is hereby authorized to finance its share of the cost of  
51 the acquisition or construction of such facilities, together with costs  
52 incidental thereto, either from any current funds legally available
