- a. Adopt, amend or repeal environmental standards, criteria and those rules and regulations having the force and effect of standards and criteria to carry out the purposes and provisions of this act. Any such environmental standard, criterion, rule or regulation or change thereto shall become effective thirty days after being filed with the Secretary State for publication in the "Official Compilation of Codes, Rules, and Regulations of the State of New York" published pursuant to section 102 of the Executive Law. This provision shall not in any way restrict the commissioner in the exercise of any function, power or duty transferred to him or her and heretofore authorized to be exercised by any other department acting through its commissioner to promulgate, amend or repeal any standards, rules and regulations. No such environmental standards, criterion, rule or regulation or change thereto shall be proposed for approval unless a public hearing relating to the subject such standard shall be held by the commissioner prior thereto not less than [30] 45 days after date of notice therefor, any provision of the contrary notwithstanding. Notice shall be given by public advertisement of the date, time, place and purpose of such hearing.
- S 2. Subdivision 1 of section 19-0303 of the environmental conservation law, as amended by chapter 469 of the laws of 1974, is amended to read as follows:
- 1. A code, rule or regulation or any amendment or repeal thereof shall not be adopted until after a public hearing within the area of the state concerned. Notice of such hearing shall be given at least [thirty]
