FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will allow any Tier 6 member who is a uniformed court offi-
cer or peace officer employed by the unitized court system to retire
without early age reduction upon attaining 30 year of creditable service
and age 55. It would also reduce the normal retirement age from 63 to
62, and lessen the reductions in benefits for those who retire prior to
normal retirement age.

If this legislation is enacted during the 2016 legislative session, we
anticipate that there will be an increase in the annual contributions of
the state of New York of approximately 0.9% of the compensation of the
affected members. For the fiscal year ending March 31, 2017, this is
estimated to be approximately \$40,000.

In addition to the annual contributions discussed above, there will be
an immediate past service cost of approximately \$63,600 which would be
borne by the state of New York as a one-time payment. This estimate is
based on the assumption that payment will be made on March 1, 2017.
