to increase the time devoted to providing instruction and education for such arts;

(c) i. the impacts that arts education instruction has on enhancing pupil academic performance;

ii. how integrating the arts education instruction into general education throughout the learning process, could enhance students' learning capabilities.

3. On or before July 1, 2018, the commissioner of education shall report to the governor, the temporary president of the senate, the speaker of the assembly, and the chairs of the senate and assembly committees on education the findings made based on the information reported pursuant to subdivision one of this section including an analysis and explanation of the data, and shall identify steps that should be taken to ensure that all public schools are in compliance with arts education instruction requirements in elementary and secondary grades and examine, evaluate and make recommendations concerning the adequacy of the current state standards for arts education and instruction for elementary and secondary schools in the state. Such recommendations may include but not be limited to revisions or alterations to the state standards for arts education and instruction to better promote and increase time devoted to providing such instruction.

S 2. This act shall take effect immediately, and shall expire and be deemed repealed January 1, 2019 or on the one hundred eightieth day after the report required by subdivisions two and three of section one of this act is submitted to the governor, the temporary president of the senate, the speaker of the assembly, and the chairs of the senate and assembly committees on education, whichever shall be later; provided, further, that the state education department shall notify the legislative bill drafting commission upon the submission of the report required by subdivisions two and three of section one of this act to the governor, the temporary president of the senate, the speaker of the assembly, and the chairs of the senate and assembly committees on education, in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.
