- (a) General. A taxpayer subject to tax under article nine, nine-A or twenty-two of this chapter shall be allowed a credit against such tax pursuant to the provisions referenced in subdivision (d) of this section. The credit (or pro rata share of earned credit in the case of a partnership) for each gallon of biofuel produced at a biofuel plant on January first, two thousand six shall equal fifteen cents per after gallon after the production of the first forty thousand gallons per year presented to market. The credit under this section shall be capped at two and one-half million dollars per taxpayer per taxable year for up to no more than [four] NINE consecutive taxable years per biofuel plant. If taxpayer is a partner in a partnership or shareholder of a New York S corporation, then the cap imposed by the preceding sentence shall be applied at the entity level, so that the aggregate credit allowed to all the partners or shareholders of each such entity in the taxable year does not exceed two and one-half million dollars. The tax credit allowed pursuant to this section shall apply to taxable years beginning before January first, two thousand twenty.
- 21 S 2. The general municipal law is amended by adding a new section 99-x 22 to read as follows:

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [] is old law to be omitted.
