THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2 law, as separately amended by chapter 678 of the laws of 2007 and chap-
3 ter 7 of the laws of 2008, is amended to read as follows:
4 (c) It shall be the duty of the fiscal officer, as defined in this
5 section, to ascertain and determine the schedules of supplements to be
6 provided and wages to be paid workers, laborers and mechanics on such
7 public work, prior to the time of the advertisement for bids, and such
8 schedules shall be annexed to and form a part of the specifications for
9 the work. Such fiscal officer shall file with the department having

15 CONTRACT ASSOCIATED WITH THE ADVERTISEMENT FOR BIDS. The term "contract"
16 as used in this article also shall include reconstruction and repair of
17 any such public work, and any public work performed under a lease,
18 permit or other agreement pursuant to which the department of jurisdic-
19 tion grants the responsibility of contracting for such public work to
20 any third party proposing to perform such work to which the provisions

2 the public work.

3 S 2. Subdivision 1 of section 103 of the general municipal law, as
4 amended by section 1 of chapter 2 of the laws of 2012, is amended to
5 read as follows:

6 1. Except as otherwise expressly provided by an act of the legislature
7 or by a local law adopted prior to September first, nineteen hundred
8 fifty-three, all contracts for public work involving an expenditure of
9 more than thirty-five thousand dollars and all purchase contracts
10 involving an expenditure of more than twenty thousand dollars, shall be
11 awarded by the appropriate officer, board or agency of a political
12 subdivision or of any district therein including but not limited to a
13 soil conservation district to the lowest responsible bidder furnishing
14 the required security after advertisement for sealed bids in the manner
15 provided by this section, provided, however, that purchase contracts
16 (including contracts for service work, but excluding any purchase
17 contracts necessary for the completion of a public works contract pursu-
18 ant to article eight of the labor law) may be awarded on the basis of
19 best value, as defined in section one hundred sixty-three of the state
20 finance law, to a responsive and responsible bidder or offerer in the
21 manner provided by this section except that in a political subdivision
22 other than a city with a population of onemillion inhabitants or more
23 or any district, board or agency with jurisdiction exclusively therein
24 the use of best value for awarding a purchase contract or purchase
25 contracts must be authorized by local law or, in the case of a district
26 corporation, school district or board of cooperative educational
27 services, by rule, regulation or resolution adopted at a public meeting.
28 ALL SUBMITTED BIDS FOR SUCH PUBLIC WORK CONTRACTS SHALL BE FOR A FIXED-
29 DOLLAR AMOUNT. In any case where a responsible bidder's or responsible
30 offerer's gross price is reducible by an allowance for the value of used
31 machinery, equipment, apparatus or tools to be traded in by a political
32 subdivision, the gross price shall be reduced by the amount of such
33 allowance, for the purpose of determining the best value. In cases
34 where two or more responsible bidders furnishing the required security
35 submit identical bids as to price, such officer, board or agency may
36 award the contract to any of such bidders. Such officer, board or agency
37 may, in his or her or its discretion, reject all bids or offers and
38 readvertise for new bids or offers in the manner provided by this
39 section. In determining whether a purchase is an expenditure within the
40 discretionary threshold amounts established by this subdivision, the
41 officer, board or agency of a political subdivision or of any district
42 therein shall consider the reasonably expected aggregate amount of all
43 purchases of the same commodities, services or technology to be made
44 within the twelve-month period commencing on the date of purchase.
45 Purchases of commodities, services or technology shall not be arti-
46 ficially divided for the purpose of satisfying the discretionary buying
47 thresholds established by this subdivision. A change to or a renewal of
48 a discretionary purchase shall not be permitted if the change or renewal
49 would bring the reasonably expected aggregate amount of all purchases of
50 the same commodities, services or technology from the same provider
51 within the twelve-month period commencing on the date of the first
52 purchase to an amount greater than the discretionary buying threshold
53 amount. For purposes of this section, "sealed bids" and "sealed offers",
54 as that term applies to purchase contracts, (including contracts for
55 service work, but excluding any purchase contracts necessary for the
56 completion of a public works contract pursuant to article eight of the

1 labor law) shall include bids and offers submitted in an electronic
2 format including submission of the statement of non-collusion required
3 by section one hundred three-d of this article, provided that the
4 governing board of the political subdivision or district, by resolution,
5 has authorized the receipt of bids and offers in such format. Submission
6 in electronic format may, for technology contracts only, be required as
7 the sole method for the submission of bids and offers. Bids and offers
8 submitted in an electronic format shall be transmitted by bidders and
9 offerers to the receiving device designated by the political subdivision
10 or district. Any method used to receive electronic bids and offers shall
11 comply with article three of the state technology law, and any rules and
12 regulations promulgated and guidelines developed thereunder and, at a
13 minimum, must (a) document the time and date of receipt of each bid and
14 offer received electronically; (b) authenticate the identity of the
15 sender; (c) ensure the security of the information transmitted; and (d)
16 ensure the confidentiality of the bid or offer until the time and date
17 established for the opening of bids or offers. The timely submission of
18 an electronic bid or offer in compliance with instructions provided for
19 such submission in the advertisement for bids or offers and/or the spec-
20 ifications shall be the responsibility solely of each bidder or offerer
21 or prospective bidder or offerer. No political subdivision or district
22 therein shall incur any liability from delays of or interruptions in the
23 receiving device designated for the submission and receipt of electronic
24 bids and offers.

25 S 3. Subdivision 1 of section 103 of the general municipal law, as
26 amended by section 2 of chapter 2 of the laws of 2012, is amended to
27 read as follows:

28 1. Except as otherwise expressly provided by an act of the legislature
29 or by a local law adopted prior to September first, nineteen hundred
30 fifty-three, all contracts for public work involving an expenditure of
31 more than thirty-five thousand dollars and all purchase contracts
32 involving an expenditure of more than twenty thousand dollars, shall be
33 awarded by the appropriate officer, board or agency of a political
34 subdivision or of any district therein including but not limited to a
35 soil conservation district to the lowest responsible bidder furnishing
36 the required security after advertisement for sealed bids in the manner
37 provided by this section, provided, however, that purchase contracts
38 (including contracts for service work, but excluding any purchase
39 contracts necessary for the completion of a public works contract pursu-
40 ant to article eight of the labor law) may be awarded on the basis of
41 best value, as defined in section one hundred sixty-three of the state
42 finance law, to a responsive and responsible bidder or offerer in the
43 manner provided by this section except that in a political subdivision
44 other than a city with a population of one million inhabitants or more
45 or any district, board or agency with jurisdiction exclusively therein
46 the use of best value of awarding a purchase contract or purchase
47 contracts must be authorized by local law or, in the case of a district
48 corporation, school district or board of cooperative educational
49 services, by rule, regulation or resolution adopted at a public meeting.
50 ALL SUBMITTED BIDS FOR SUCH PUBLIC WORK CONTRACTS SHALL BE FOR A FIXED-
51 DOLLAR AMOUNT. In determining whether a purchase is an expenditure with-
52 in the discretionary threshold amounts established by this subdivision,
53 the officer, board or agency of a political subdivision or of any
54 district therein shall consider the reasonably expected aggregate amount
55 of all purchases of the same commodities, services or technology to be
56 made within the twelve-month period commencing on the date of purchase.

1 Purchases of commodities, services or technology shall not be arti-
2 ficially divided for the purpose of satisfying the discretionary buying
3 thresholds established by this subdivision. A change to or a renewal of
4 a discretionary purchase shall not be permitted if the change or renewal
5 would bring the reasonably expected aggregate amount of all purchases of
6 the same commodities, services or technology from the same provider
7 within the twelve-month period commencing on the date of the first
8 purchase to an amount greater than the discretionary buying threshold
9 amount. In any case where a responsible bidder's or responsible
10 offerer's gross price is reducible by an allowance for the value of used
11 machinery, equipment, apparatus or tools to be traded in by a political
12 subdivision, the gross price shall be reduced by the amount of such
13 allowance, for the purpose of determining the low bid or best value. In
14 cases where two or more responsible bidders furnishing the required
15 security submit identical bids as to price, such officer, board or agen-
16 cy may award the contract to any of such bidders. Such officer, board or
17 agency may, in his, her or its discretion, reject all bids or offers and
18 readvertise for new bids or offers in the manner provided by this
19 section.

30 2. Steam heating, hot water heating, ventilating and air conditioning
31 apparatus.

32 3. Electric wiring and standard illuminating fixtures.

33 Such specifications must be so drawn as to permit separate and inde-
34 pendent bidding upon each of the above three subdivisions of work. All
35 contracts hereafter awarded by the state or a department, board, commis-

7 change to subcontractor status as determined pursuant to paragraph (e)

11 submitted by all other bidders shall be returned to them unopened after
12 the contract award.
