2015-2016 Regular Sessions

I N S E N A T E

(PREFILED)

January 7, 2015

Introduced by Sen. DIAZ -- read twice and ordered printed, and when printed to be committed to the Committee on Banks

AN ACT to amend the banking law, the real property law, the real property actions and proceedings law, the general business law and the general obligations law, in relation to enacting the "Home Equity Fraud Act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "Home Equity Fraud Act".
3 S 2. Legislative findings. The legislature hereby finds that many
4 senior citizens and minority homeowners in New York have been targeted
5 by unethical home improvement contractors, mortgage companies, mortgage
6 brokers and finance companies who induce these homeowners into entering
7 into high cost high interest rate mortgage agreements which the homeowner
8 is often unable to afford with the intent of foreclosing on the home
9 and stripping the equity.
10 The legislature further finds that in order to entice people into
11 entering into these agreements they are promised refinancing of primary
12 mortgages, consolidation of loans and outstanding bills and are given
13 cash but often are not told or do not understand that they are securing
14 the loan with a mortgage lien on their home which will lead to foreclosure
15 in the event of default. Often these loans are documented with
16 false and misleading documentation provided by brokers which could easily
17 be determined to be false if checked by the lender. Despite prohibitions
18 contained in federal law many of these loans are based on equity
19 in the home and not on the borrower's ability to pay. Since many of
20 these homeowners live on a fixed income, they are unable to make the
21 required payments and end up losing their homes. This practice appears

1 to be targeted in neighborhoods with a high concentration of senior and
2 minority residents.

3 The legislature further finds that it is in the best interest of the
4 citizens of this state that these unethical practices should be prohib-
5 ited by law and that unscrupulous individuals should be denied the abil-
6 ity to utilize the courts of this state to perpetrate these abuses upon
7 senior citizens and minority residents of this state and does therefore
8 enact this Home Equity Fraud Act in order to prevent predatory lending.

9 S 3. Subdivision 1 of section 595-a of the banking law is amended by
