Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Labor

AN ACT to amend the workers' compensation law, in relation to enacting the "protection in the workplace act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "protection in the workplace act".
3 S 2. Legislative intent. It is the finding of this legislature that
4 violence in the workplace has become an increasingly serious occupa-
5 tional hazard, which all too many employees and employers must confront.
6 While it is the intent of the workers' compensation system to provide
7 medical aid and monetary compensation to injured workers or their survi-
8 vors in return for the surrender of their right to petition the courts,
9 it is the finding of this body that rape, sexual assault or other sex
10 crimes should not be classified as a condition of employment at the
11 expense of the workers' compensation system's ameliorative goals and
12 that such system is not and should not be used as a shield to permit
13 employers whose negligent acts or omissions cause injury or harm to
14 fellow employees without such injured employees having every opportunity
15 for full and adequate redress. For purposes of determining benefits
16 pursuant to the workers' compensation law, sexual assault is not, and
17 shall not be considered a condition of employment.
18 It is therefore the intent of this legislation to ensure that workers
19 suffering sexual assault in the workplace due to the derelict or negli-
20 gent practices of their employer, receive appropriate medical care and
21 benefits but also have every opportunity to recover all damages commensurate with their injury.
22 S 3. The workers' compensation law is amended by adding a new section
23 10-a to read as follows:
24

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [] is old law to be omitted.
