sive grade levels with the purpose of developing desirable health behavior, attitudes, and knowledge as well as self-reliance and problem solving capacity.

4 [3.] 4. Instruction regarding alcohol, tobacco, and other drugs, in addition to continued health guidance in the junior high school grades and the senior high schools, shall be an integral part of a required 5 6 7 health education course at each of these levels in the secondary schools 8 curriculum. Students shall be required to demonstrate knowledge in the subject area through the use of a test, graded project or report, or any 9 10 other means prescribed by the school authorities regarding alcohol, drugs, and tobacco. Any such course shall be taught by teachers holding 11 12 a certificate to teach health. Related courses in the secondary school 13 curriculum shall be taught in a manner supportive of health education 14 regarding alcohol, tobacco, and other drugs. In addition, instruction 15 regarding the dangers of driving while under the influence of alcohol or 16 drugs shall be an integral part of a required health education course in the senior high schools. Such instruction shall be provided in all 17 18 senior high schools whether or not these schools also provide driver 19 education courses.

20 [3-a.] 5. Instruction regarding methods of prevention and detection of 21 certain cancers, including but not limited to breast cancer, skin 22 cancer, testicular cancer and other cancers where certain preventive measures have become generally accepted and certain detection methods 23 24 have been adopted and recommended generally to the public. Such instruc-25 tion shall be an integral part of a required health education course at 26 the senior high school level, in addition to continued health guidance in senior high schools. Any such course shall be taught by teachers 27 28 holding a certificate to teach health.

29 [4.] 6. a. The commissioner may prescribe in regulations such health 30 education courses which include instruction regarding alcohol, tobacco, and other drugs as the commissioner may deem necessary and desirable for 31 32 the welfare of pupils and the community. The contents may be varied to 33 meet the needs of particular school districts, or portions thereof, and 34 need not be uniform throughout the state, provided, however, that school 35 districts shall utilize either the curriculum for health education 36 instruction regarding alcohol, tobacco and other drugs prescribed by the 37 commissioner or a course approved by the commissioner in accordance with criteria established by the commissioner. The commissioner is authorized to make recommendations to the board of regents beginning December 38 39 40 first, two thousand fourteen and every three years thereafter relating the modernization of such instruction required pursuant to subdivi-41 to 42 sion one of this section, to include the most up to date age appropriate 43 information available regarding the misuse and abuse of alcohol, tobacco 44 and other drugs, including but not limited to heroin and opioids. Such 45 instruction shall include, but not be limited to, information regarding drugs and other substances that are more prevalent among school 46 aged 47 Such recommendations shall be the result of a collaboration youth. between the department, the office of alcoholism and substance 48 abuse 49 services and the department of health. If the board of regents adopts 50 such curriculum, the curriculum requirement shall take effect no later 51 than the next school year after such curriculum has been adopted.

52 b. The commissioner shall make available an interpersonal violence 53 prevention education package for grades kindergarten through twelve, 54 which package may consist of student pamphlets, parent pamphlets, vide-55 otapes and other informative materials to be distributed to school 1 districts, and shall encourage the use of such material as part of the 2 health or other related curricula or programs.

3 The regents shall review the health curriculum requirements in c. 4 existence on the effective date of this paragraph for the purpose of 5 streamlining such curriculum and identifying any outdated components that may be eliminated or consolidated in order to ensure that 6 students 7 have sufficient time and instruction to develop skills to address issues of violence prevention and mental health. To the extent appropriate, the 8 9 regents shall modify the existing curriculum to provide greater focus on 10 the development of skills, by no later than middle school, that are needed to recognize, cope with and address potentially violent 11 incidents[,] including an understanding of [student's] STUDENT roles in emergency situations[, what to do when confronted with another student 12 13 14 who is experiencing a mental health problem,] and other related skills 15 designed to reduce the threat of violence in schools.

16 [5.] 7. School authorities shall provide the needed facilities, time, 17 and place for the instruction set forth herein and shall provide learn-18 ing aids and curriculum resource materials which contribute to effective 19 teaching methods and learning in health education regarding alcohol, 20 tobacco, and other drugs.

[6.] 8. All pre-service training programs in the state for elementary teachers shall include adequate preparation regarding the instruction in alcohol, tobacco, and other drugs set forth herein, and no teacher shall be licensed except upon satisfactory demonstration of the competencies included in the institutional proposals approved by the [education] department.

27 [7.] 9. Nothing contained in this section shall be deemed to diminish 28 impair the duties of the commissioner with respect to the continuing or program for critical health problems established by chapter seven 29 hundred eighty-seven of the laws of nineteen hundred sixty-seven as 30 amended. The commissioner shall coordinate actions taken under authority 31 32 of this section with the provisions of said chapter as they relate to 33 health education in schools, inservice training and training programs, and curriculum or syllabus development regarding the deleterious effects 34 35 resulting from the use, misuse, and abuse of alcohol, tobacco, and other 36 drugs.

37 S 2. This act shall take effect July 1, 2017.
