48 Provided, further, that a school district's pre-kindergarten grant  
49 shall equal the product of (A) (i) two multiplied by the approved  
50 number of new full-day pre-kindergarten placements plus (ii) the  
51 approved number of half-day pre-kindergarten placement conversions  
52 and new half-day pre-kindergarten placements, and (B) the district's  
53 selected aid per pre-kindergarten pupil pursuant to subparagraph i  
54 of paragraph b of subdivision 10 of section 3602-e of the education  
55 law; provided, however, that no district shall receive a grant in  
56 excess of the total actual grant expenditures incurred by the

1 district in the current school year as approved by the commissioner.  
2 Provided, further, that as a condition of eligibility for receipt of  
3 such funding, a school district shall agree to adopt approved quality  
4 indicators within two years, including, but not limited to, valid  
5 and reliable measures of environmental quality, the quality of  
6 teacher-student interactions and child outcomes, and ensure that any

8 stakes educational decisions for individual children. Provided,  
9 further, that no school district shall receive more than forty  
10 percent of the total pre-kindergarten grant allocation.

11 Provided, further, that notwithstanding any provision of law to the

17 commissioner; (ii) approved by the director of the budget; and (iii)  
18 issued by the commissioner. Provided, further, that such grants  
19 shall be awarded based on factors including, but not limited to, the  
20 following: (i) the school district's proposal to target the schools  
21 and students with the greatest need, and (ii) proposal quality.  
22 Provided, further, that to assess proposal quality in order to award  
23 implementation grant funding, the commissioner shall take into  
24 account factors including, but not limited to: (i) the extent to  
25 which the school district's proposal would maximize the use of the  
26 additional learning time through a comprehensive restructuring of  
27 the school day and/or year, (ii) the extent to which the proposal  
28 would provide additional learning time for students in grades six  
29 through eight, and (iii) how the additional learning time would be  
30 utilized, including, but not limited to, additional time spent on  
31 core academics. Provided, however, that no district shall be eligi-  
32 ble to receive a school-wide extended learning grant unless its  
33 proposal would increase student learning time by at least 25  
34 percent. Provided, further, that a school district's schoolwide  
35 extended learning implementation grant shall equal its average daily  
36 attendance in the school-wide extended learning program multiplied  
37 by the expected cost per pupil of the additional learning time;  
38 provided, further, that the expected cost per pupil of the addi-  
39 tional learning time shall equal the greater of \$1,500 or (A) the  
40 quotient of (i) the school district's approved operating expense,  
41 pursuant to paragraph t of subdivision 1 of section 3602 of the  
42 education law, for the year prior to the base year, divided by (ii)  
43 the district's public school district enrollment, pursuant to  
44 subparagraph (2) of paragraph n of such subdivision, for the year  
45 prior to the base year, multiplied by (B) 10 percent (0.10), multi-  
46 plied by (C) the quotient of (i) the average of the national consum-  
47 er price indexes determined by the United States department of labor  
48 for the 12-month period preceding January first of the base year,  
49 divided by (ii) the average of the national consumer price indexes  
50 determined by the United States department of labor for the 12-month  
51 period preceding January first of the year two years prior to the  
52 base year; provided, however, that in extraordinary cases the  
53 commissioner may award a grant that exceeds the per pupil limit  
54 described above; provided further, however, that no district shall  
55 receive a grant in excess of the total actual grant expenditures  
56 incurred by the district in the current school year as approved by

1 the commissioner. Provided, further, that no school district shall  
2 receive more than forty percent of the total school-wide extended  
3 learning grant allocation.

4 Provided, further, that notwithstanding any provision of law to the  
5 contrary, the \$7,500,000 appropriated herein available for community  
6 schools grants shall be awarded, based on a request for proposals  
7 (i) developed by the state council on children and families in coor-

19 a not-for-profit may apply for a community school grant provided  
20 that it collaborates with the city school district of the city of  
21 New York and receives the approval of the chancellor of the city  
22 school district of the city of New York. Provided, further, that  
23 such grants shall be awarded based on factors including, but not  
24 limited to, the following: (i) measures of school district need,  
25 (ii) measures of the need of students to be served by each of the  
26 school districts, (iii) the school district's proposal to target the  
27 highest need schools and students, (iv) the sustainability of the  
28 proposed community schools program, and (v) proposal quality.

29 Provided, further, that to assess proposal quality in order to award  
30 such funding, the commissioner shall take into account factors  
31 including, but not limited to: (i) the extent to which the school  
32 district's proposal would provide such community services through  
33 partnerships with local governments and non-profit organizations,  
34 (ii) the extent to which the proposal would provide for delivery of  
35 such services directly in school buildings, (iii) the extent to  
36 which the proposal articulates how such services would facilitate  
37 measurable improvement in student and family outcomes, (iv) the  
38 extent to which the proposal articulates and identifies how existing  
39 funding streams and programs would be used to provide such community  
40 services, and (v) the extent to which the proposal ensures the safe-  
41 ty of all students, staff and community members in school buildings  
42 used as community hubs. Provided, however, that community schools  
43 grants appropriated herein shall be paid to school districts in  
44 installments upon successful implementation of each phase of a  
45 school district's approved proposal. Provided, further, that no

8 the annual professional performance review; and (iii) provide peri-  
9 odic opportunities for professional development for successful  
10 applicants. Provided, further, that priority shall be given to  
11 applicants in regions of the state where a similar program is not  
12 otherwise offered. Notwithstanding any provision of law to the  
13 contrary, upon approval of the director of the budget, such  
14 \$5,500,000 of master teachers program funding may be sub-allocated,  
15 interchanged, transferred or otherwise made available to the state

41 contrary, of the amount appropriated herein, a minimum of  
42 \$12,500,000 PER YEAR shall be available IN THE 2014-15 THROUGH

56 shall be awarded pursuant to a plan developed by the commissioner

1 and approved by the director of the budget, provided that such plan

3 education and private-sector partners commit to the required  
4 elements and responsibilities of a P-TECH program, (ii) provisions  
5 to ensure regional diversity of grant recipients, and (iii) priority  
6 for P-TECH programs serving students in academically challenged  
7 school districts; provided further that the commissioner shall make  
8 available the request for proposals for such program on or before  
9 May fifteenth and the commissioner shall issue awards on or before

55 that full-day and half-day pre-kindergarten grants appropriated

15 placement conversions and new half-day pre-kindergarten placements, and  
16 (B) the district's selected aid per pre-kindergarten pupil pursuant to  
17 subparagraph i of paragraph b of subdivision 10 of section 3602-e of the

22 a school district shall agree to adopt approved quality indicators within  
23 two years, including, but not limited to, valid and reliable measures of  
24 environmental quality, the quality of teacher-student interactions and

40 the schools and students with the greatest need, and (ii) proposal quality.  
41  
42 Provided, further, that to assess proposal quality in order to award  
43 implementation grant funding, the commissioner shall take into account  
44 factors including, but not limited to: (i) the extent to which the school  
45 district's proposal would maximize the use of the additional learning time  
46 through a comprehensive restructuring of the school day and/or year, (ii)  
47 the extent to which the proposal would provide additional learning time for  
48 students in grades six through eight, and (iii) how the additional learning  
49 time would be utilized, including, but not limited to, additional time spent  
50 on core academics. Provided, however, that no district shall be eligible  
51 to receive a school-wide extended learning grant unless its proposal would  
52 increase student learning time by at least 25 percent. Provided, further,  
53 that a school district's schoolwide extended learning implementation grant  
54 shall equal its average daily attendance in the school-wide extended learning

6 education law, for the year prior to the base year, divided by (ii)  
7 the district's public school district enrollment, pursuant to  
8 subparagraph (2) of paragraph n of such subdivision, for the year  
9 prior to the base year, multiplied by (B) 10 percent (0.10), multi-

11 er price indexes determined by the United States department of labor  
12 for the 12-month period preceding January first of the base year,  
13 divided by (ii) the average of the national consumer price indexes  
14 determined by the United States department of labor for the 12-month  
15 period preceding January first of the year two years prior to the  
16 base year; provided, however, that in extraordinary cases the  
17 commissioner may award a grant that exceeds the per pupil limit  
18 described above; provided further, however, that no district shall  
19 receive a grant in excess of the total actual grant expenditures  
20 incurred by the district in the current school year as approved by  
21 the commissioner. Provided, further, that no school district shall  
22 receive more than forty percent of the total school-wide extended  
23 learning grant allocation.

24 Provided, further, that notwithstanding any provision of law to the

26 schools grants shall be awarded, based on a request for proposals  
27 (i) developed by the state council on children and families in coor-
