16 wise prohibited from stopping by law, rule, regulation or any lawful
17 order or direction of a police officer.]

18 3. Subdivision one of this section shall not apply to [(a)] the use of
19 a portable electronic device for the sole purpose of communicating with
20 any of the following regarding an emergency situation: an emergency
21 response operator; a hospital; a physician's office or health clinic; an
22 ambulance company or corps; a fire department, district or company; or a
