10 S 1750-b. Health care decisions for [mentally retarded persons] PERSONS
11 WITH DEVELOPMENTAL DISABILITIES
12 1. Scope of authority. AS USED IN THIS SECTION, THE TERMS "DEVELOP-
13 MENTAL DISABILITY" AND "DEVELOPMENTALLY DISABLED" SHALL HAVE THE MEANING
14 SET FORTH IN SUBDIVISION TWENTY-TWO OF SECTION 1.03 OF THE MENTAL
15 HYGIENE LAW. Unless specifically prohibited by the court after consider-
16 ation of the determination, if any, regarding a [mentally retarded
17 person's] PERSON WITH A DEVELOPMENTAL DISABILITY'S capacity to make
18 health care decisions, which is required by section seventeen hundred
19 fifty of this article, the guardian of such person appointed pursuant to
20 section seventeen hundred fifty of this article shall have the authority
21 to make any and all health care decisions, as defined by subdivision six
22 of section twenty-nine hundred eighty of the public health law, on
23 behalf of the [mentally retarded person] PERSON WITH A DEVELOPMENTAL
24 DISABILITY that such person could make if such person had capacity. Such
25 decisions may include decisions to withhold or withdraw life-sustaining
26 treatment. For purposes of this section, "life-sustaining treatment"

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.

LBD02200-01-5

1 means medical treatment, including cardiopulmonary resuscitation , INTU-
2 BATION AND/OR MECHANICAL VENTILATION and nutrition and hydration
3 provided by means of medical treatment, which is OR WOULD BE sustaining
4 life functions and without which, according to reasonable medical judg-
5 ment, the patient will die within a relatively short time period.
6 Cardiopulmonary resuscitation is presumed to be life-sustaining treat-
7 ment without the necessity of a medical judgment by an attending physi-
8 cian. The provisions of this article are not intended to permit or
9 promote suicide, assisted suicide or euthanasia; accordingly, nothing in
10 this section shall be construed to permit a guardian to consent to any
11 act or omission to which the [mentally retarded] person WITH A DEVELOP-
12 MENTAL DISABILITY could not consent if such person had capacity.

13 (a) For the purposes of making a decision to withhold or withdraw
14 life-sustaining treatment pursuant to this section, in the case of a
15 person for whom no guardian has been appointed pursuant to section
16 seventeen hundred fifty or seventeen hundred fifty-a of this article, a
17 "guardian" shall also mean a family member of a person who [(i) has
18 mental retardation, or (ii)] has a developmental disability, as defined
19 in section 1.03 of the mental hygiene law, which [(A) includes mental
20 retardation, or (B)] results in [a similar] AN impairment of general
21 intellectual functioning or adaptive behavior so that such person is
22 incapable of managing himself or herself, and/or his or her affairs by
23 reason of such developmental disability. Qualified family members shall
24 be included in a prioritized list of said family members pursuant to
25 regulations established by the commissioner of [mental retardation and]
26 developmental disabilities. Such family members must have a significant
27 and ongoing involvement in a person's life so as to have sufficient
28 knowledge of their needs and, when reasonably known or ascertainable,
29 the person's wishes, including moral and religious beliefs. In the case
30 of a person who was a resident of the former Willowbrook state school on
31 March seventeenth, nineteen hundred seventy-two and those individuals
32 who were in community care status on that date and subsequently returned
33 to Willowbrook or a related facility, who are fully represented by the
34 consumer advisory board and who have no guardians appointed pursuant to
35 this article or have no qualified family members to make such a deci-
36 sion, then a "guardian" shall also mean the Willowbrook consumer advi-
37 sory board. A decision of such family member or the Willowbrook consumer
38 advisory board to withhold or withdraw life-sustaining treatment shall
39 be subject to all of the protections, procedures and safeguards which
40 apply to the decision of a guardian to withhold or withdraw life-sus-
41 taining treatment pursuant to this section.

42 In the case of a person for whom no guardian has been appointed pursu-
43 ant to this article or for whom there is no qualified family member or
44 the Willowbrook consumer advisory board available to make such a deci-
45 sion, a "guardian" shall also mean, notwithstanding the definitions in
46 section 80.03 of the mental hygiene law, a surrogate decision-making
47 committee, as defined in article eighty of the mental hygiene law. All
48 declarations and procedures, including expedited procedures, to comply
49 with this section shall be established by regulations promulgated by the
50 [commission on quality of care and advocacy for persons with disabili-
51 ties] JUSTICE CENTER FOR THE PROTECTION OF PEOPLE WITH SPECIAL NEEDS, AS
52 ESTABLISHED BY ARTICLE TWENTY OF THE EXECUTIVE LAW.

53 (b) Regulations establishing the prioritized list of qualified family
54 members required by paragraph (a) of this subdivision shall be developed
55 by the commissioner of [mental retardation and] developmental disabili-
56 ties in conjunction with parents, advocates and family members of

persons [who are mentally retarded] WITH DEVELOPMENTAL DISABILITIES. Regulations to implement the authority of the Willowbrook consumer advisory board pursuant to paragraph (a) of this subdivision may be promulgated by the commissioner of the office of [mental retardation and] developmental disabilities with advice from the Willowbrook consumer advisory board.

(c) Notwithstanding any provision of law to the contrary, the formal determinations required pursuant to section seventeen hundred fifty of this article shall only apply to guardians appointed pursuant to section seventeen hundred fifty or seventeen hundred fifty-a of this article.

(D) A PATIENT SUBJECT TO THIS SECTION WHO IS FOUND BY THE ATTENDING PHYSICIAN TO HAVE CAPACITY TO MAKE HIS OR HER OWN HEALTH CARE DECISIONS, PURSUANT TO PARAGRAPH (A) OF SUBDIVISION FOUR OF THIS SECTION, UPON NOTICE TO THE CHIEF EXECUTIVE OFFICER OF A RESIDENTIAL FACILITY OPERATED, LICENSED OR AUTHORIZED BY THE OFFICE FOR PEOPLE WITH DEVELOPMENTAL DISABILITIES, IN WHICH FACILITY THE PATIENT RESIDES OR FROM WHICH HE OR SHE WAS TRANSFERRED, AND THE MENTAL HYGIENE LEGAL SERVICE, MAY MAKE HIS OR HER OWN DECISIONS RELATING TO LIFE-SUSTAINING TREATMENT.

(E) A PATIENT SUBJECT TO THIS SECTION WHO HAS A VALID HEALTH CARE PROXY AT THE TIME OF A HEALTH CARE DECISION, INCLUDING A DECISION INVOLVING LIFE-SUSTAINING TREATMENT, SHALL HAVE SUCH DECISIONS MADE IN ACCORDANCE WITH ARTICLE TWENTY-NINE-C OF THE PUBLIC HEALTH LAW. IF FOR ANY REASON THE AGENT OR AN ALTERNATE AGENT IS NOT REASONABLY AVAILABLE, WILLING AND COMPETENT TO SERVE AND THE PATIENT IS OTHERWISE ELIGIBLE TO HAVE A DECISION AS TO LIFE-SUSTAINING TREATMENT MADE PURSUANT TO THIS SECTION, ANY GUARDIAN OR PERSON OR ENTITY ENTITLED TO EXERCISE THE AUTHORITY OF A GUARDIAN UNDER PARAGRAPH (A) OF THIS SUBDIVISION MAY MAKE SUCH DECISION.

2. Decision-making standard. (a) The guardian shall base all advocacy and health care decision-making solely and exclusively on the best interests of the [mentally retarded] person WITH A DEVELOPMENTAL DISABILITY and, when reasonably known or ascertainable with reasonable diligence, on [the mentally retarded] SUCH person's wishes, including moral and religious beliefs.

(b) An assessment of the [mentally retarded person's] PERSON WITH A DEVELOPMENTAL DISABILITY'S best interests shall include consideration of:

- (i) the dignity and uniqueness of every person;
- (ii) the preservation, improvement or restoration of the [mentally retarded] person's health;
- (iii) the relief of the [mentally retarded] person's suffering by means of palliative care and pain management;
- (iv) the unique nature of [artificially provided] nutrition or hydration PROVIDED BY MEANS OF MEDICAL TREATMENT, and the effect it may have on the [mentally retarded] person; and
- (v) the entire medical condition of the person.

(c) No health care decision shall be influenced in any way by:

- (i) a presumption that persons with [mental retardation] DEVELOPMENTAL DISABILITIES are not entitled to the full and equal rights, equal protection, respect, medical care and dignity afforded to persons without [mental retardation or] developmental disabilities; or
- (ii) financial considerations of the guardian, as such considerations affect the guardian, a health care provider or any other party.

3. Right to receive information. Subject to the provisions of sections 33.13 and 33.16 of the mental hygiene law, the guardian shall have the right to receive all medical information and medical and clinical

1 records necessary to make informed decisions regarding the [mentally
2 retarded person's] PERSON WITH A DEVELOPMENTAL DISABILITY'S health care.

3 4. Life-sustaining treatment. The guardian shall have the affirmative
4 obligation to advocate for the full and efficacious provision of health
5 care, including life-sustaining treatment. In the event that a guardian
6 [makes] INITIATES a decision to withdraw or withhold life-sustaining
7 treatment from a [mentally retarded] person WITH A DEVELOPMENTAL DISA-
8 BILITY:

9 (a) The attending physician, as defined in subdivision two of section
10 twenty-nine hundred eighty of the public health law, must confirm to a
11 reasonable degree of medical certainty that the [mentally retarded]
12 person WITH A DEVELOPMENTAL DISABILITY lacks capacity to make health
13 care decisions. The determination thereof shall be included in the
14 [mentally retarded] person's medical record, and shall contain such
15 attending physician's opinion regarding the cause and nature of the
16 [mentally retarded] person's incapacity as well as its extent and proba-
17 ble duration. The attending physician who makes the confirmation shall
18 consult with another physician, or a licensed psychologist, to further
19 confirm the [mentally retarded] person's lack of capacity. The attending
20 physician who makes the confirmation, or the physician or licensed
21 psychologist with whom the attending physician consults, must (i) be
22 employed by a developmental disabilities [services] REGIONAL office
23 named in section 13.17 of the mental hygiene law or employed by the
24 office for people with developmental disabilities to provide treatment
25 and care to people with developmental disabilities, or (ii) have been
26 employed for a minimum of two years to render care and service in a
27 facility or program operated, licensed or authorized by the office [of
28 mental retardation and] FOR PEOPLE WITH developmental disabilities, or
29 (iii) have been approved by the commissioner of [mental retardation and]
30 developmental disabilities in accordance with regulations promulgated by
31 such commissioner. Such regulations shall require that a physician or
32 licensed psychologist possess specialized training or three years expe-
33 rience in treating [mental retardation] PEOPLE WITH DEVELOPMENTAL DISA-
34 BILITIES. A record of such consultation shall be included in the
35 [mentally retarded] person's medical record.

36 (b) The attending physician, as defined in subdivision two of section
37 twenty-nine hundred eighty of the public health law, with the concu-
38 rrence of another physician with whom such attending physician shall
39 consult, must determine to a reasonable degree of medical certainty and
40 note on the [mentally retarded person's] PERSON WITH A DEVELOPMENTAL
41 DISABILITY'S chart that:

42 (i) the [mentally retarded] person has a medical condition as follows:

43 A. a terminal condition, [as defined in subdivision twenty-three of
44 section twenty-nine hundred sixty-one of the public health law] WHICH
45 SHALL MEAN AN ILLNESS OR INJURY FROM WHICH THERE IS NO RECOVERY, AND
46 WHICH CAN REASONABLY BE EXPECTED TO CAUSE DEATH WITHIN ONE YEAR; or

47 B. permanent unconsciousness; or

48 C. a medical condition other than such person's [mental retardation]
49 DEVELOPMENTAL DISABILITY which requires life-sustaining treatment, is
50 irreversible and which will continue indefinitely; and

51 (ii) the life-sustaining treatment would impose an extraordinary
52 burden on such person, in light of:

53 A. such person's medical condition, other than such person's [mental
54 retardation] DEVELOPMENTAL DISABILITY; and

1 B. the expected outcome of the life-sustaining treatment, notwith-
2 standing such person's [mental retardation] DEVELOPMENTAL DISABILITY;
3 and

4 (iii) in the case of a decision to withdraw or withhold artificially
5 provided nutrition or hydration:

6 A. there is no reasonable hope of maintaining life; or

7 B. the artificially provided nutrition or hydration poses an extraor-
8 dinary burden.

9 (c) The guardian shall express a decision to withhold or withdraw
10 life-sustaining treatment either:

11 (i) in writing, dated and signed in the presence of one witness eigh-
12 teen years of age or older who shall sign the decision, and presented to
13 the attending physician, as defined in subdivision two of section twen-
14 ty-nine hundred eighty of the public health law; or

15 (ii) orally, to two persons eighteen years of age or older, at least
16 one of whom is the [mentally retarded person's] PERSON WITH A DEVELOP-
17 MENTAL DISABILITY'S attending physician, as defined in subdivision two
18 of section twenty-nine hundred eighty of the public health law.

19 (d) The attending physician, as defined in subdivision two of section
20 twenty-nine hundred eighty of the public health law, who is provided
21 with the decision of a guardian shall include the decision in the
22 [mentally retarded person's] PERSON WITH A DEVELOPMENTAL DISABILITY'S
23 medical chart, and shall either:

24 (i) promptly issue an order to withhold or withdraw life-sustaining
25 treatment from the [mentally retarded] person, and inform the staff
26 responsible for such person's care, if any, of the order; or

27 (ii) promptly object to such decision, in accordance with subdivision
28 five of this section.

29 (e) At least forty-eight hours prior to the implementation of a deci-
30 sion to withdraw life-sustaining treatment, or at the earliest possible
31 time prior to the implementation of a decision to withhold life-sustain-
32 ing treatment, the attending physician shall notify:

33 (i) the [mentally retarded] person WITH A DEVELOPMENTAL DISABILITY,
34 except if the attending physician determines, in writing and in consul-
35 tation with another physician or a licensed psychologist, that, to a
36 reasonable degree of medical certainty, the person would suffer immedi-
37 ate and severe injury from such notification. The attending physician
38 who makes the confirmation, or the physician or licensed psychologist
39 with whom the attending physician consults, shall:

40 A. be employed by a developmental disabilities services office named
41 in section 13.17 of the mental hygiene law or employed by the office for
42 people with developmental disabilities to provide treatment and care to
43 people with developmental disabilities, or

44 B. have been employed for a minimum of two years to render care and
45 service in a facility operated, licensed or authorized by the office [of
46 mental retardation and] FOR PEOPLE WITH developmental disabilities, or

47 C. have been approved by the commissioner of [mental retardation and]
48 developmental disabilities in accordance with regulations promulgated by
49 such commissioner. Such regulations shall require that a physician or
50 licensed psychologist possess specialized training or three years expe-
51 rience in treating [mental retardation] DEVELOPMENTAL DISABILITIES. A
52 record of such consultation shall be included in the [mentally retarded]
53 person's medical record;

54 (ii) if the person is in or was transferred from a residential facili-
55 ty operated, licensed or authorized by the office [of mental retardation
56 and] FOR PEOPLE WITH developmental disabilities, the chief executive

officer of the agency or organization operating such facility and the mental hygiene legal service. NOTIFICATION TO THE FACILITY DIRECTOR AND THE MENTAL HYGIENE LEGAL SERVICE SHALL NOT DELAY ISSUANCE OF AN ORDER NOT TO RESUSCITATE; and

(iii) if the person is not in and was not transferred from such a facility or program, the commissioner of [mental retardation and] developmental disabilities, or his or her designee.

(F) FOR A PATIENT RESIDING IN A FACILITY OPERATED, LICENSED OR AUTHORIZED BY THE OFFICE FOR PEOPLE WITH DEVELOPMENTAL DISABILITIES AS TO WHOM AN ORDER NOT TO RESUSCITATE HAS BEEN ENTERED, THE ATTENDING PHYSICIAN SHALL REVIEW WHETHER THE ORDER IS STILL APPROPRIATE AT SUCH TIMES AND IN SUCH MANNER AS IS PRESCRIBED BY SUBDIVISION FOUR OF SECTION TWENTY-NINE HUNDRED NINETY-FOUR-DD OF THE PUBLIC HEALTH LAW.

5. Objection to health care decision. (a) Suspension. A health care decision made pursuant to subdivision four of this section shall be suspended, pending judicial review, except if the suspension would in reasonable medical judgment be likely to result in the death of the [mentally retarded] person WITH A DEVELOPMENTAL DISABILITY, in the event of an objection to that decision at any time by:

(i) the [mentally retarded] person on whose behalf such decision was made; or

(ii) a parent or adult sibling who either resides with or has maintained substantial and continuous contact with the [mentally retarded] person; or

(iii) the attending physician, as defined in subdivision two of section twenty-nine hundred eighty of the public health law; or

(iv) any other health care practitioner providing services to the [mentally retarded] person, who is licensed pursuant to article one hundred thirty-one, one hundred thirty-one-B, one hundred thirty-two, one hundred thirty-three, one hundred thirty-six, one hundred thirty-nine, one hundred forty-one, one hundred forty-three, one hundred forty-four, one hundred fifty-three, one hundred fifty-four, one hundred fifty-six, one hundred fifty-nine or one hundred sixty-four of the education law; or

(v) the chief executive officer identified in subparagraph (ii) of paragraph (e) of subdivision four of this section; or

(vi) if the person is in or was transferred from a residential facility or program operated, approved or licensed by the office [of mental retardation and] FOR PEOPLE WITH developmental disabilities, the mental hygiene legal service; or

(vii) if the person is not in and was not transferred from such a facility or program, the commissioner of [mental retardation and] developmental disabilities, or his or her designee.

NOTWITHSTANDING THE FOREGOING, IN CASES WHERE THE ATTENDING PHYSICIAN HAS NOTIFIED THE CHIEF EXECUTIVE OFFICER OF AN AGENCY AND THE MENTAL HYGIENE LEGAL SERVICE OF THE ENTRY OF AN ORDER NOT TO RESUSCITATE PURSUANT TO SUBPARAGRAPH (II) OF PARAGRAPH (E) OF SUBDIVISION FOUR OF THIS SECTION, AND IF SUCH NOTICE INCLUDES EITHER THE PHYSICIAN'S STATEMENT OF THE DIAGNOSTIC AND PROGNOSTIC BASIS FOR THE MEDICAL DETERMINATION IN SUPPORT OF THE ORDER OR AN EXCERPT FROM THE PATIENT'S MEDICAL RECORD THAT IS SUFFICIENT TO SUPPORT SUCH DETERMINATION, AN ORDER NOT TO RESUSCITATE SHALL NOT BE STAYED BY AN OBJECTION BY THE PERSONS DESCRIBED IN SUBPARAGRAPH (V) OR (VI) OF THIS PARAGRAPH UNLESS THE OBJECTION IS ACCOMPANIED BY (A) A WRITTEN STATEMENT BY THE OBJECTING PARTY SETTING FORTH A BASIS FOR ASSERTING THAT A STANDARD IN THIS ARTICLE FOR ENTERING SUCH AN ORDER HAS NOT BEEN MET; AND (B) IF THE BASIS RELATES TO THE

1 FAILURE TO MEET MEDICAL CRITERIA IN THIS ARTICLE FOR THE ISSUANCE OF THE
2 ORDER, A WRITTEN STATEMENT BY A HEALTH OR SOCIAL SERVICES PRACTITIONER,
3 AS DEFINED IN SUBDIVISION SEVENTEEN OF SECTION TWENTY-NINE HUNDRED NINE-
4 TY-FOUR-A OF THE PUBLIC HEALTH LAW SETTING FORTH THE PROFESSIONAL'S
5 OPINION, BASED ON HIS OR HER REVIEW OF THE AFOREMENTIONED STATEMENT OR
6 MEDICAL RECORD EXCERPT AND CONSULTATION WITH THE PATIENT'S ATTENDING
7 PHYSICIAN, THAT THE MEDICAL CRITERIA IN THIS ARTICLE FOR ENTERING SUCH
8 ORDER HAS NOT BEEN MET.

9 (b) Form of objection. Such objection shall occur orally or in writ-
10 ing.

11 (c) Notification. In the event of the suspension of a health care
12 decision pursuant to this subdivision, the objecting party shall prompt-
13 ly notify the guardian and the other parties identified in paragraph (a)
14 of this subdivision, and the attending physician shall record such
15 suspension in the [mentally retarded person's] PERSON WITH A DEVELOP-
16 MENTAL DISABILITY'S medical chart.

17 (d) Dispute mediation. In the event of an objection pursuant to this
18 subdivision, at the request of the objecting party or person or entity
19 authorized to act as a guardian under this section, except a surrogate
20 decision making committee established pursuant to article eighty of the
21 mental hygiene law, such objection shall be referred to [a dispute medi-
22 ation system, established pursuant to section two thousand nine hundred
23 seventy-two] AN ETHICS REVIEW COMMITTEE, ESTABLISHED PURSUANT TO SECTION
24 TWENTY-NINE HUNDRED NINETY-FOUR-M of the public health law or similar
25 entity for mediating disputes in a hospice, such as a patient's advo-
26 cate's office[,] OR hospital chaplain's office [or ethics committee], as
27 described in writing and adopted by the governing authority of such
28 hospice, for non-binding mediation. In the event that such dispute
29 cannot be resolved within seventy-two hours or no such mediation entity
30 exists or is reasonably available for mediation of a dispute, the
31 objection [shall] MAY proceed to judicial review pursuant to this subdi-
32 vision. The party requesting mediation shall provide notification to
33 those parties entitled to notice pursuant to paragraph (a) of this
34 subdivision.

35 6. Special proceeding authorized. The guardian, the attending physi-
36 cian, as defined in subdivision two of section twenty-nine hundred
37 eighty of the public health law, the chief executive officer identified
38 in subparagraph (ii) of paragraph (e) of subdivision four of this
39 section, the mental hygiene legal service (if the person is in or was
40 transferred from a residential facility or program operated, approved or
41 licensed by the office [of mental retardation and] FOR PEOPLE WITH
42 developmental disabilities) or the commissioner of [mental retardation
43 and] developmental disabilities or his or her designee (if the person is
44 not in and was not transferred from such a facility or program) may
45 commence a special proceeding in a court of competent jurisdiction with
46 respect to any dispute arising under this section, including objecting
47 to the withdrawal or withholding of life-sustaining treatment because
48 such withdrawal or withholding is not in accord with the criteria set
49 forth in this section.

50 7. Provider's obligations. (a) A health care provider shall comply
51 with the health care decisions made by a guardian in good faith pursuant
52 to this section, to the same extent as if such decisions had been made
53 by the [mentally retarded] person WITH A DEVELOPMENTAL DISABILITY, if
54 such person had capacity.

55 (b) Notwithstanding paragraph (a) of this subdivision, nothing in this
56 section shall be construed to require a private hospital to honor a

guardian's health care decision that the hospital would not honor if the decision had been made by the [mentally retarded] person WITH A DEVELOPMENTAL DISABILITY, if such person had capacity, because the decision is contrary to a formally adopted written policy of the hospital expressly based on religious beliefs or sincerely held moral convictions central to the hospital's operating principles, and the hospital would be permitted by law to refuse to honor the decision if made by such person, provided:

(i) the hospital has informed the guardian of such policy prior to or upon admission, if reasonably possible; and

(ii) the [mentally retarded] person is transferred promptly to another hospital that is reasonably accessible under the circumstances and is willing to honor the guardian's decision. If the guardian is unable or unwilling to arrange such a transfer, the hospital's refusal to honor the decision of the guardian shall constitute an objection pursuant to subdivision five of this section.

(c) Notwithstanding paragraph (a) of this subdivision, nothing in this section shall be construed to require an individual health care provider to honor a guardian's health care decision that the individual would not honor if the decision had been made by the [mentally retarded] person WITH A DEVELOPMENTAL DISABILITY, if such person had capacity, because the decision is contrary to the individual's religious beliefs or sincerely held moral convictions, provided the individual health care provider promptly informs the guardian and the facility, if any, of his or her refusal to honor the guardian's decision. In such event, the facility shall promptly transfer responsibility for the [mentally retarded] person to another individual health care provider willing to honor the guardian's decision. The individual health care provider shall cooperate in facilitating such transfer of the patient.

(d) Notwithstanding the provisions of any other paragraph of this subdivision, if a guardian directs the provision of life-sustaining treatment, the denial of which in reasonable medical judgment would be likely to result in the death of the [mentally retarded] person WITH A DEVELOPMENTAL DISABILITY, a hospital or individual health care provider that does not wish to provide such treatment shall nonetheless comply with the guardian's decision pending either transfer of the [mentally retarded] person to a willing hospital or individual health care provider, or judicial review.

(e) Nothing in this section shall affect or diminish the authority of a surrogate decision-making panel to render decisions regarding major medical treatment pursuant to article eighty of the mental hygiene law.

8. Immunity. (a) Provider immunity. No health care provider or employee thereof shall be subjected to criminal or civil liability, or be deemed to have engaged in unprofessional conduct, for honoring reasonably and in good faith a health care decision by a guardian, or for other actions taken reasonably and in good faith pursuant to this section.

(b) Guardian immunity. No guardian shall be subjected to criminal or civil liability for making a health care decision reasonably and in good faith pursuant to this section.

S 2. This act shall take effect on the ninetieth day after it shall have become a law.
