AN ACT to amend the vehicle and traffic law, in relation to the residential parking system in the village of Dobbs Ferry in the county of Westchester; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature finds
2 that the village of Dobbs Ferry encompasses approximately 3 miles, has
3 over 11,000 residents and has within its boundaries a railroad station
4 maintained and operated by the Metro North division of the Metropolitan
5 Transportation Authority. The Dobbs Ferry Station attracts a large
6 number of commuters and travelers from outside of the village. The
7 station generates significant traffic and congestion and while there are
8 public and private off-street parking areas, commuters and train passen-
9 gers park on local streets adjoining the station. The residential neigh-
10 borhoods adjoining the train station are among Dobbs Ferry's oldest
11 neighborhoods and lack sufficient off-street parking to serve local
12 residents. Many homes lack adequate off-street parking. The additional
13 burden of commuter parking has resulted in traffic hazards, congestion
14 and air and noise pollution. In addition the overflow of commuter park-
15 ing on the residential streets poses a hazard to residents and pedestri-
16 ans in the area.
17 The legislature further finds that a residential parking system will
18 reduce such hazards and will reduce pollution levels as well. The legis-
19 lature therefore declares the necessity of this act to authorize the
