FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant Tier 2 status to Tier 3 police officers and firefighters, and grant them a refund of their member contributions. For members of the New York State and Local Police and Fire Retirement System (NYS&LPFRS), it would affect only those who did NOT file an election to become covered under the provisions of Article 22 (Tier 5).

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.

LBD11214-04-5

If this bill is enacted, insofar as this bill would affect the NYS&LPFRS, we anticipate that the employers of affected members would see an increase in their annual contributions for the fiscal year ending March 31, 2016 of approximately 0.3%, 0.7%, and 2.3% of the annual salaries of members covered under Sections 384-d, 384-e, and 381-b, respectively. In future years, this cost will vary as the billing rates of the affected members change.

There would not be a past service cost.
