8 S 5. This act shall take effect immediately and shall be deemed to
9 have been in full force and effect on and after September 11, 2001;
10 provided, however, that the amendments to sections 162 and 168 of the
11 workers' compensation law made by sections one and two of this act,
12 respectively, shall apply to all open and closed claims coming within
13 its purview.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would amend chapter 93 of the Laws of 2005 and chapter 445 of the Laws of 2006, which provided members of public retirement systems who contract any form of disease or disability related to exposure to any elements in connection with the World Trade Center tragedy of September 11, 2001 to be presumptive evidence that such disability, or death as a result of such disability was the result of an accident and was sustained in the performance of duty. The provisions of this act will not be subject to Section 25 of the Retirement and Social Security Law.

Insofar as this bill would affect the New York State and Local Employees' Retirement and the New York State and Local Police and Fire Retirement System, this bill would extend the deadline for filing notice regarding the eligibility for benefits for certain members who participated in the World Trade Center rescue, recovery or cleanup operation to September 11, 2018.

If this bill is enacted, it would lead to more disabilities being classified as "in performance of duty" or "accidental". For the disabilities so classified due to this bill, the cost would depend on the age, service, salary and plan of the affected member or retiree, as well as whether such person would have otherwise been eligible for, or has been receiving an ordinary disability, a performance of duty disability or a service retirement. For those who contract such disease prior to retirement, it is estimated that there could be per person one-time costs of as much as 5 times salary. For those who contract such disease subsequent to a service retirement, it is estimated that there would be an average per person cost of approximately 2 times final average salary. For those who contract such disease subsequent to an ordinary disability retirement, it is estimated that there would be an average per person cost of approximately 5 times final average salary.

This bill would also lead to more deaths being classified as "accidental". For each death classified as accidental due to this bill, the cost would depend on the age, service, salary and plan of the affected individual, as well as whether such person was an active member or has been receiving an ordinary disability, a performance of duty disability, an accidental disability or a service retirement. It is estimated that the cost for each ERS and PFRS individual affected would average approximately 3.5 times final average salary and 8 times final average salary, respectively.

These costs would be shared by the State of New York and the participating employers in the ERS and PFRS.

This estimate, dated February 16, 2016, and intended for use only during the 2016 Legislative Session, is Fiscal Note No. 2016-62, prepared by the Actuary for the New York State and Local Retirement System.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

PROVISIONS OF PROPOSED LEGISLATION: With respect to the New York City Retirement System (NYCRS), the proposed legislation would amend Retirement and Social Security Law (RSSL) Section 2, to extend, for certain members who participated in the Rescue, Recovery or Cleanup operations related to the World Trade Center (WTC) attack on September 11, 2001, the deadline for filing a Notice of Participation under the WTC Disability Law.

The NYCRS include: New York City Employees' Retirement System (NYCERS), New York City Teachers' Retirement System (NYCTRS), New York City Board of Education Retirement System (BERS), New York City Police Pension Fund (POLICE) and New York Fire Department Pension Fund (FIRE).

The effective date of this proposed legislation would be the date of enactment, and would, as it related to NYCRS, be deemed retroactive to September 11, 2001.

DEADLINES UNDER EXISTING PROVISIONS: Under current law, there are two different deadlines, depending on covered groupings, for timely filing a Notice of Participation.

Chapter 489 of the Laws of 2013 expanded coverage of the WTC Disability law to certain groups (Chapter 489/13 Covered Groups), and enacted a September 11, 2014 deadline for eligible individuals within those Groups to file a Notice of Participation. Chapter 489/13 Covered Groups include:

- * Active, vested and retired Tier 1 and 2 NYCTRS members
- * Active, vested and retired Tier 1 and 2 BERS members
- * Vested Tier 1 and 2 NYCERS members
- * Vested Tier 1 and 2 POLICE members
- * Vested Tier 1 and 2 FIRE members
- * Vested Tier 3 NYCERS Uniformed Corrections members
- * Vested Tier 4 NYCERS Uniformed Sanitation members
- * Vested Tier 4 and 6 NYCERS Deputy Sheriff members
- * Vested Tier 4 and 6 NYCERS EMT members

Chapter 472 of the Laws of 2014 extended the deadline to file a Notice of Participation for all eligible groups not included in the Chapter 489/13 Covered Groups (the Original Covered Groups) to September 11, 2015.

DEADLINES UNDER PROPOSED LEGISLATION: With respect to the NYCERS, the proposed legislation would extend the deadline for filing a Notice of Participation under the WTC Disability Law for the Original Covered

Groups from September 11, 2015 to September 11, 2018, and extend the deadline for the Chapter 489/13 Covered Groups from September 11, 2014 to September 11, 2018.

ADDITIONAL EMPLOYER CONTRIBUTIONS: The increase in employer contributions as a result of the proposed legislation would depend on the number of additional members who file the required form, meet the requirements of the WTC Disability Laws and then ultimately benefit from one of the Laws.

As the Actuary believes that most members who would be eligible for the benefits provided under the WTC Disability Law have already filed the required form to register for participation, only a few members likely would benefit from the proposed legislation and, therefore, the increase in employer contributions would likely be de minimis.

ACTUARIAL ASSUMPTIONS AND METHODS: The additional employer costs and contributions have been determined based on the actuarial assumptions and methods used in June 30, 2015 (Lag) actuarial valuations of NYCERS.

STATEMENT OF ACTUARIAL OPINION: I, Sherry S. Chan, am the Chief Actuary for the New York City Retirement Systems. I am an Associate of the Society of Actuaries, a Fellow of the Conference of Consulting Actuaries and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.
