ANY

S. 5855--A 4

LIMITATION OR REVOCATION OF THE ADVANCED HOME HEALTH AIDE'S AUTHORI-ZATION ALSO SHALL BE INDICATED ON THE REGISTRY.

- S 5. In developing regulations required under subparagraph (v) of paragraph a of subdivision 1 of section 6908 of the education law, as added by section one of this act, the commissioner of education shall take into consideration the recommendations of the workgroup of stakeholders convened by the commissioner of health to provide guidance on the tasks which may be performed by advanced home health aides pursuant to such section including, but not limited to, recommendations encompassing the following matters:
- (a) the advanced tasks that appropriately could be performed by advanced home health aides with appropriate training and supervision;
- (b) the types of medications that advanced home health aides should be authorized to administer, including whether controlled substances should be authorized;
- (c) qualifications that must be satisfied by advanced home health aides to perform such advanced tasks, including those related to experience, training, moral character, and examination requirements;
 - (d) minimum training and education standards; and
- (e) adequate levels of supervision to be provided by nurses, including adherence to existing requirements for comprehensive assessment and any additional assessment that should be required, including when the individual receiving advanced tasks performed by an advanced home health aide experiences a significant change in condition.
- On or before July 1, 2016, the commissioner of health shall, in consultation with the commissioner of education, issue a report to the governor and the chairs of the senate and assembly health and higher education committees setting forth the recommendations of the workgroup.
- S 6. On or before January 1, 2020, the commissioner of health shall, consultation with the commissioner of education, issue a report on the implementation of advanced home health aides in the state. Such report shall include the number of advanced home health aides authorized pursuant to this act; the types of advanced tasks that advanced home health aides are performing; the number of individuals who were moved out of institutionalized settings as a direct result of this act; the extent to which advanced home health aides contributed to the improvement of quality care of these individuals; the number of adverse outcomes, including medication errors, that were reported to the department of health; any reports of or issues with drug diversion; number of advanced home health aides who had their authorization limited revoked. Such report shall provide recommendations to the governor and the chairs of the senate and assembly health and higher education committees regarding the extension and/or alteration of these provisions make any other recommendations related to the implementation of advanced home health aides pursuant to this act.
 - S 7. This act shall take effect immediately; provided that:
- a. section one of this act shall take effect January 1, 2017. Effective immediately, the commissioner of education is authorized to adopt or amend regulations necessary to implement the provisions of section one of this act on or before such effective date; provided, further, that no advanced tasks shall be performed pursuant to the provisions of subparagraph (v) of paragraph a of subdivision 1 of section 6908 of the education law, as added by section one of this act, until such regulations are adopted and except in conformance with such regulations; and

b. this act shall expire and be deemed repealed June 30, 2020.
